Welcome to Palmer Township

Palmer Township is excited to welcome our new Township Manager, Robert Williams. Bob began his employment with the township on March 4, 2018. He has since been busy working with each department and getting to know all the township employees. Bob has been spending a lot of time traveling throughout the township learning about all the exciting projects taking place.

Bob is a retired Veteran from the Pennsylvania Army National Guard after serving 30 years in the military. He served in Iraq and Kosovo prior to retiring in 2013. After his military service, Bob served as the Borough Manager in Orwigsburg, Pennsylvania. Bob is married and the father of 4 children. He holds a Master of Public Administration degree from Villanova University and a Bachelor of Arts degree in Political Science from LaSalle University. Bob is a Philadelphia native and very excited to be a member of the Palmer Township team.

PALMER TOWNSHIP RESIDENTS . . .

Make your life easier by signing up to use Xpress Bill Pay to pay your Palmer Township Utility Bills

xpress
BILL PAY

Palmer Township now offers the convenience of online payments through our partnership with Xpress Bill Pay. If you are weary from writing checks or tired of wasting money buying stamps, we have good news for you. Palmer Township has teamed up with Xpress Bill Pay to offer residents the ability to pay their bills online. This recently new service is in response to our customer's requests for faster and more convenient online payment options.

The service gives you the ability to view, track, and pay your Utility bills through the secure Xpress Bill Pay website. Various payment options are available including credit and debit cards and electronic fund transfers. Customers can also setup automatic monthly payments and view up to two years' history of your account, once the history is built.

Keith Jenkins, President of Xpress Bill Pay said, "Our service uses the convenience and security of the internet to simplify customers' lives. Our online bill tracking, and payment technology helps to take the hassle out of paying your monthly or quarterly invoices. That's why so many organizations are using our system – customers are asking for it."

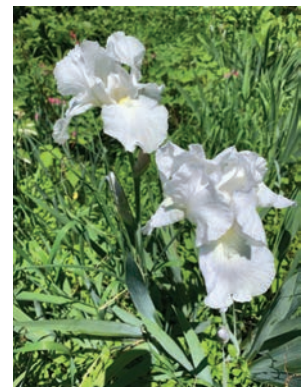

Visit the township website, www.palmerwp.com for additional information and to sign up today!

PALMER TOWNSHIP BEAUTIFICATION PROJECT

Palmer Township Beautification

For new Palmer residents, the Beautification Project is a volunteer organization formally sanctioned by the Palmer supervisors at their May 2011 meeting. The original proposal was to clear the undergrowth along the bike path at Fairview Park. This path runs from the north side of the macadam path from the Bar Don Bowling Lanes to the New Creation UCC, which is approximately 250 yards. With the extensive help of Palmer employees, the land was cleared, and leaf compost was added to provide growing medium for plants.

After several years, a proposal was made to add the two gardens next to the Palmer Post Office. Again, Palmer employees dug up the substandard clay and added leaf compost. The Beautification Project Chairperson, David Carr, expresses his excitement regarding the continued efforts. Carr stated, "Going to the Fairview Park garden on May 22, 2019 to get pictures for this article, I expected to photograph some hibiscus stems, which are about 4 inches tall now. I saw some, but to my delight, the white Iris flowers stood out dramatically. I knew that these would be enjoyed more. I am [also] really excited about the hibiscus plants that were transplanted about a month ago."

Twelve hibiscus plants were transplanted from Carr's personal gardens to the two end sections of the Fairview Park garden. These hibiscus plants are healthy and growing. They will flower in August and will have white or red flowers. Carr continues, "I have a lot of seeds from the 2018 flowers and I also have cleome seeds. I would be pleased to give them away. Experienced gardeners may pull weeds and toss them to the bottom of the slope. Adopting plants and providing a few ounces of water during dry periods is encouraged."

Miracle League of Northampton County

The 2019 Spring season of the Miracle League of Northampton County opened on May 4, 2019. The five-game day included ten teams, hundreds of players and volunteers, and over one thousand in attendance. Our seventh spring season wrapped up on June 20th. We were pleased to have many new groups join us on the field as buddies and in the concession area. We encourage groups and individuals to reach out for volunteer, coaching, and sponsorship opportunities by visiting our website: miracleleagueofnc.org.

The Miracle League of Northampton County provides opportunities to play baseball on a barrier free field for children and young adults with intellectual and physical disabilities. Games are scheduled Tuesday and Thursday evenings as well as Saturday mornings at the Easton Rotary Field at the Charles Chrin Community Center of Palmer Township. Learn more about the League by stopping by our tent at Palmer Community Days. Game schedules, volunteer opportunities, and player registration are available on our website. Feel free to like us on Facebook for the latest news. Our fall season will begin on August 24, 2019. Fall evening games are a wonderful opportunity to bundle up and come watch a game under the lights. In October, the Lehigh Yankee Fan Club will again sponsor Trick or Treat night. Vendor applications and online registration will be available on our website.

Our league is supported in many ways by individuals, businesses and municipalities. The Board of Directors very much appreciates this support and thanks all those involved. We also thank Palmer Township and the Public Works Department for maintaining the area around our field. At all our games, the spirit of sportsmanship, community support, and volunteerism come together to support our motto of "Every Child Deserves a Chance to Play Baseball."

ATTENTION HISTORY BUFFS:

The **Palmer Historical Society** invites your membership and attendance at their informative and educational meetings featuring local and area subjects of interest. Meetings are held in the Palmer Library 10:00am to Noon February – May and September – November. Membership is \$5.00 per year and includes an invitation to all events. Interested? Contact Ed Dean at 610-253-2281.

Congratulations Palmer!

Your recycling efforts are paying off and Palmer is getting greener!

Thanks to our most recent Pennsylvania Department of Environmental Protection Act 101 grant, Palmer will soon be breaking the \$3,000,000 (yes, 3 million!) mark in recycling grants! These grants fund public works equipment such as leaf vacuums, chippers, and other equipment so that we can efficiently manage our ever-growing yard waste, and they have helped us keep the cost of residential waste and recycling services at the same level or below for 13 years!

Recycling Is Working In Palmer!

EARTH DAY 2019

A special thank you to members of Palmer Moravian Church who celebrated Earth Day with a litter clean-up event at Palmer's Penn Pump Park. Amazing what a few caring people can do in a couple of hours! Contact Cindy Oatis, Palmer's recycling coordinator, at coatis@palmertwp.com to see what your group can do to help keep our community clean, green, and litter free.

SPECIAL CURBSIDE COLLECTION

(Put items curbside on your regularly scheduled collection day and they will be collected that day or within that week by a separate truck other than our regular collection vehicles)

YARD WASTE COLLECTION: Week of November 4

Unlimited amounts of yard waste (leaves, branches, twigs, flowers, roots, bushes, garden clippings) will be collected curbside and will be composted instead of landfilled. The dates of these collections are publicized on the township website, in our newsletters, and in the waste and recycling card that is mailed to residents each January. Please put this card on your refrigerator or bulletin board at home...it will provide you with important information and dates all year.

On these dates only, place your yard waste in any open top container (your old green, round recycling container or a clean trash container, NOT YOUR AUTOMATED Toter), tie with cotton or hemp twine in bundles no larger than 3' x 3' x 3', and weighing no more than 40lbs, or place in compostable paper bags (NO PLASTIC BAGS, ROPE OR TWINE). These bags are available online or locally at grocery or hardware stores such as Home Depot, Lowes, or Piscitello's Home Center. The following are unacceptable materials that will not be collected: grass clippings, tree stumps, loose soils, sod, any wood or tree limbs over four (4) inches in diameter; human or animal excrement; noxious weeds or soil contaminated with hazardous substances.

BULK ITEM COLLECTION: Weeks of September 16, and December 2

This curbside collection will take place quarterly. These dates will be publicized on the township website, in our newsletters, and on the waste and recycling card that is mailed to residents each January. Each residence is allowed to put out one (1) bulk item during each of these collection weeks, on their regularly scheduled collection day.

Bulk items are defined as items too large to fit into the waste cart; and the general rule of thumb is an item the approximate dimensions and weight of a standard size sofa that can be carried by two (2) men. Acceptable items include furniture, mattresses, grills, bicycles, lawnmowers, rolled up and tied rugs no larger than 3' x 6'.

Unacceptable materials that will not be collected include construction materials, hazardous waste, tires, yard waste, grass clippings, or additional household trash. Residents may contact Waste Management Customer Service at 1-800-621-2100 for a more specific list of acceptable and unacceptable items.

If you can't wait for a bulk waste collection, you may request a special bulk item pickup by contacting Waste Management at 800-621-2100. Identify yourself as a resident of Palmer Township, PA to receive the Township's \$25 per item pickup price. If your bulk items are in good condition, consider donating them to non-profits such as the, Salvation Army, American Family Services, ReStore, Habitat for Humanity, or church rummage sales.

WHITE GOODS/METAL COLLECTION: Week of September 30

White goods will be collected and recycled twice per year. This includes appliances such as refrigerators and freezers (remove doors), washers, dryers, hot water heaters, bicycles, and lawnmowers (oil and gas removed), BBQ grills (gas and/or charcoal removed), air conditioners and dehumidifiers (ALL FREON MUST BE REMOVED PROFESSIONALLY AND TAGGED PRIOR TO DISPOSAL), and various other household

metal items. Place white goods out the night before your regularly scheduled trash/recycling collection day. The dates of these collections will be publicized on the township website, in our newsletters, and on the waste and recycling card that will be mailed to residents every January.

Holiday Trash & Recycling Collection Schedule

There will be no collection on these holidays and the rest of the week following the holiday will be on a one-day delay.

- Labor Day**
- Thanksgiving Day**
- Christmas Day**
- New Year's Day**

BIP Business Luncheon March 27, 2019

The BIP's guest speaker at our March business luncheon was Palmer Township's new Township Manager, Robert Williams. Bob gave the group a thorough history of his 30-year military career, which included his deployments to Kosovo and Iraq. He also talked about his considerable involvement with Schuylkill County and the Orwigsburg Chamber of Commerce that he acquired during his position as the Orwigsburg Borough Manager during the last 6 years. Realizing the positive history and impact of the Business, Industrial and Professional Association of Palmer Township, he stated he is looking forward to working closely with the group in the future.

BIP President Karen Vangeli and Robert Williams

THE ROLE OF THE CODE AND ZONING DEPARTMENTS

FUNCTIONALITY AND EDUCATION

The roles of the Code and Zoning Departments are essential to enhancing the quality of life by monitoring and enforcing a variety of applicable ordinances, codes, regulations and ordinances related to building codes, health and safety, blight, property maintenance, and other matters of public concern; and serves as a resource and provides information on Township regulations to property owners, residents, businesses and the general public.

To help keep Palmer Township as a desirable community to live in, such Departments take a proactive approach in enforcing regulations and ordinances. An effective program has a direct impact on preserving property values as well as attracting tourism, new housing, and business development. As codes may vary between municipalities, education and enforcement is crucial to promote a safe and blight-free township.

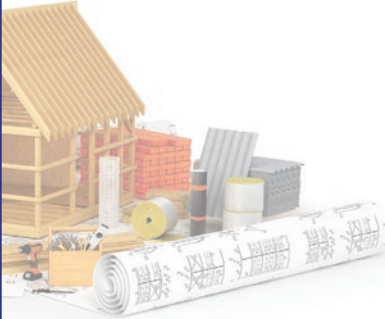

The following represents a list of the most commonly-cited issues:

- **Maintenance of Structures:** Structures, including houses, buildings, garages, sheds, fences and decks, should be maintained structurally sound and kept in good repair. Pools, hot tubs and ponds must be kept in a sanitary condition.
- **Unlicensed and/or Inoperable Vehicles:** Vehicles on exterior property areas, are required to be inspected, registered and operable.
- **Parking:** Motor vehicles may not be parked on any grassed area, covered with growing things of value or not otherwise designed to reasonably accommodate the type of vehicle.
- **Sidewalk Obstructions:** Public sidewalks must be kept clear of trees, bushes and snow.
- **Outdoor Storage:** Refuse, rubbish and garbage should not be stored on the exterior property and premises. Typical items include construction materials, furniture, electronics, accumulation of yard debris (such as branches) and other items not specifically manufactured for exterior use.
- **Garbage and Recycling Practices:** Bulk items shall not be stored outside, or placed at the curb, until the special curbside collection week. Garbage and recycling must be placed in an approved receptacle.
- **Overgrowth:** Grass and nonornamental vegetation is limited to 6-inches in height. Noxious vegetation, such as: ragweed, goldenrod, poison ivy, poison oak and poison sumac shall be removed.
- **Sight Obstructions:** Sight distance zones of intersecting street curblines must be kept clear of fences, walls, plantings and structures.
- **Signage:** Signs affixed to utility poles and street signs is prohibited. Yard sale signs should be free-standing and removed within 24-hours after the sale. All commercial signage does require a permit.
- **Recreational Vehicles:** Watercrafts, motor homes, travel trailers, all-terrain vehicles and snowmobiles 16-feet or longer are not permitted in the front yard except for loading and unloading purposes. Recreational vehicles longer than 16-feet may be stored in the side or rear yards, provided they maintain an 8-foot setback from the property line.
- **Permits:** Various building and zoning permits are required. Visit the Township website (www.PalmerTwp.com) for additional information.

Remember, responsible property ownership and maintenance will give rise to a healthy neighborhood economy. If you would like more information, you may contact the Code Department at (610) 253-7191.

When is a Permit Required?

The Pennsylvania Uniform Construction Code, as well as, the ordinances of Palmer Township requires permits for many types of projects. Activities requiring permits include:

- 
- Any structural change/alteration
 - Plumbing
 - Electrical
 - Mechanical/HVAC (*new and replacement*)
 - Water heaters (*new and replacement*)
 - Reroofing
 - Replacement windows
 - Replacement siding
 - Decks
 - Pools (*permanent and temporary*)
 - Finished basements
 - Driveways (*replacement, expansion and resurface*)
 - Signs (*except political signs*) and banners
 - Additional living space conversions
 - Patios and patio roofs
 - Fences (*temporary and permanent*)
 - Retaining walls
 - Sheds and carports (*accessory structures*)

THE ABOVE LIST MAY NOT INCLUDE ALL NECESSARY PERMITS.

You may contact the Permit or Building Department at (610) 253-7191 for more information.

THE TUNNELS TO TOWER

On September 11, 2001, Stephen Siller, an FDNY Firefighter who was assigned to Brooklyn's Squad 1, perished while assisting victims inside the Twin Towers. The Siller family later started a foundation called The Tunnels to Towers, which assist first responder victims of 9/11. On June 2, Palmer Fire's Deputy Chief Jim Alercia conducted a fundraiser, raising more than \$500 to partake in the annual Stephen Siller Stair Climb of the Freedom Tower in New York City. Firefighters raced the 104 stories in memory of the lives lost on 9/11.

CRIMEWATCH NETWORK

The Palmer Township Police Department has joined other police agencies in Northampton County and in Pennsylvania, by signing up for participation in the **CRIMEWATCH Network**. The Palmer Township Police Department is the 2nd Northampton County based police department to go live on the **CRIMEWATCH Network**.

The **CRIMEWATCH Network** is a platform that creates transparency in local law enforcement and gives our community members instant access to information that impacts their safety. Now that our department is live with **CRIMEWATCH**, members of our community can sign up to receive free alerts about crime where they live. This means that if someone in your neighborhood gets arrested for a serious crime, you receive an alert right on your smartphone, and the alerts are not just text, they include the picture of the offender (*when available*) and the details about the arrest.

One of our intentions in signing up with **CRIMEWATCH** is to use the platform as a media release hub, pushing information out to our other social media and news media outlets. The Palmer Township Police Department intends to use the **CRIMEWATCH Network** to keep our citizens informed, connect with our community, and allow for feedback regarding the services we provide to our community.

The new Palmer Township Police Department Website can be found at:

Camera Registry

Attention Palmer Township Residents and Businesses, the Palmer Township Police Department is seeking assistance in establishing a Security Camera Registry to aid in Crime investigations.

The goal of the camera registry program is to deter crime and promote public safety through collaboration between the Palmer Township Police Department and the community we serve.

Please consider registering your Security Camera System, and viewing our Disclaimer and Terms of Use, by visiting us at PalmerPD.org then completing the CAMERA REGISTRY FORM, located under the FORMS Tab.

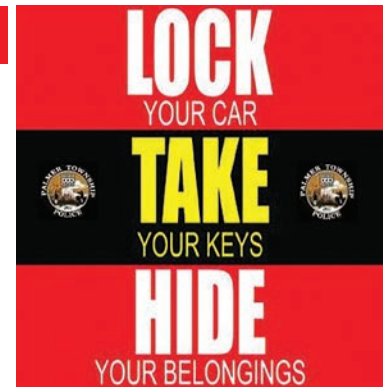

Lock Up!

Area Police Departments have noticed an increase of unlocked vehicles being entered. The Palmer Township Police remind our residents and visitors that the best way to combat this criminal activity is to:

1. Lock the doors to your vehicle.
2. Take your keys
3. Hide your belongings

Don't be an easy target. Report any and all suspicious people or activities as they occur to (610) 759-2200. In an Emergency, dial 911.

NEW!

NEW THIS FALL:

Join our **Walking Club!**

\$10/month

12:30-1PM Every Monday-Friday (Weather permitting)

This program will run this Fall during the months of **September, October, and November.**

We will take advantage of the walking path surrounding the Community Center and the beautiful Fall weather and walk as a group, incorporating a few strength training exercises along the way. This is a wonderful opportunity to socialize and get in those daily steps!

We also offer **FREE** quarterly social events!

You can find more information at
www.palmercommunitycenter.org or
call 610-252-2098

Our Silver Pass is **\$20/month**

(includes access to the Fitness Center and all Silver Fitness Classes only)

Drop-in Fee is **\$3/class**

*Check eligibility through your insurance for Silver & Fit, Silver Sneakers, or Healthways.

Zumba Gold – Latin-inspired, dance fitness program designed for the active older adult, beginner participant, pregnant women, those who need modifications, arthritis sufferers, and those recovering from injury. This is a fun, feel-good, party-like class.

Zumba Gold Toning – “Muscle Toning for the Young at Heart”, combines the cardio element of Zumba Gold with strength training techniques.

Core Stretch – A full body stretch using movements that flow smoothly to increase flexibility, decrease muscle tension, develop core strength, and improve muscular balance.

Pilates Tone – This is a great way to increase strength, flexibility, balance & coordination. Pilates is regarded as an ideal exercise regimen for people in or over their 50’s due to low-impact exercise. Benefits are improved posture, stamina, and strength.

Silver Fitness FALL SOCIAL EVENT

Monday, October 28th, 2019
2:00pm-3:30pm

Join us for some festive Halloween crafting! We’ll be painting pots and filling them with candy corn treats. We’ll also have board games and cards to play while you’re waiting for your paint to dry.

Dress in your Halloween best and feel free to bring a treat to share with the group. Light refreshments and snacks will be provided. A potluck sign-up sheet can be found at the front desk beginning October 14th.

Come relax and socialize with other members and instructors. **Bring a friend to class and the event and you’ll each receive a week of FREE classes!!!**

*Please join us for a spooky fun time!
Can’t wait to see you there!*

**WHEN YOU'RE WASHING YOUR CAR IN
THE DRIVEWAY, REMEMBER YOU'RE NOT JUST
WASHING YOUR CAR IN THE DRIVEWAY.**

All the soap, scum, and oily grit runs along the curb. Then into the storm drain and directly into our lakes, streams and into coastal waters including the Chesapeake Bay. And that causes pollution which is unhealthy for fish. So how do you avoid this whole mess? Easy. Wash your car on grass or gravel instead of the street. Or better yet, take it to a car wash where the water gets treated and recycled.

If you have questions regarding storm water, please contact your municipality or Pennsylvania Department of Environmental Protection's Regional Office. For general questions, you may also contact DEP's Bureau of Water Management at (717) 772-5661 or visit www.dep.state.pa.us.
