Helping Our Businesses

Helping Our Community

Business, Industrial and Professional Association of Palmer Township News

The alliance formed between the business community and the township is evident in the projects the BIP has initiated and helped bring to fruition. The funds for these projects have been raised by the members of the BIP. For example, the Association was instrumental in the construction of the Palmer Branch of the Easton Area Public Library and has collected and donated thousands of dollars in books and equipment to the Branch. BIP was also in the forefront of advocating the construction of the Palmer Branch of the United States Post Office at its Greenwood Avenue location. The Welcome to Palmer Township signs located at entrances to the township and the landscaping at the entrances/exits to Route 22 have been funded by the BIP.

Since 2005 the BIP has given approximately \$320,000 back to the township in community projects that it has funded. These projects include:

- Contributed \$26,000 to the building of the Charles Chrin Community Center of Palmer Township.
- Donated \$6,000 to the floor lining project at the Community Center.
- The BIP was the driving force in providing the community information sign at Northampton and 25th Streets. This was a partnership between the BIP, Lions Club of Palmer Township and Palmer Township.
- The BIP funded the playground constructed at the Community Center.
- The pavilion at the Community Center was funded and built by the BIP.
- The BIP donated \$35,000 to the Miracle League of Northampton County who built a special regional baseball field for children with intellectual and physical disabilities at the Community Center.
- The 1st Annual Palmer 5K race and walk was held at the 2012 Palmer Community Days and raised \$5,000 for the Miracle League. Since 2015 the BIP has held the race each year and continue to give \$5,000 each year to the Miracle League. Also, proceeds have been used to install dog bag stations along the bike path.
- The pavilion at the Palmer Pool was funded by the BIP.
- The landscaping and benches in front of the Palmer Memorial Library were funded and the project was managed by the BIP.

The BIP is excited to announce our most recent community projects:

- The addition of illuminated bike path crossing signs on Greenwood Avenue by the Palmer Township Post Office.
- Contributing \$100,000 toward the new Palmer Township Kiwanis Youth Center Project located at 3052 Green Pond Road. This building will replace the existing building that was built in the 1960's and has outlived its useful life.

Each year since 2005 the BIP has held an annual Golf Outing to raise money that is used to help fund these community projects. The most recent outing was held on Monday September 20, 2021, at the Riverview Country Club.

The members of the BIP are proud of what it has been able to do in giving back to our community.

If your business is interested in joining the BIP, please email: bdegerolamo@palmertwp.com.

In early August, our Superintendent of vehicle maintenance, Cory Nansteel and one of our Parks Department employees, Carlos Juarez were returning to the public works garage after performing work duties throughout the township. While driving past the duck stop on Tatamy Road Cory caught a glimpse of a hand waving from over the bank. He quickly turned the Township vehicle around thinking someone might be needing help. Upon stopping his vehicle, he found a woman with a head wound that had fallen on the rocks and was in distress and in need of medical assistance. He quickly called 911 and stayed with the injured woman until medical help arrived. He also phoned in to the public works garage to indicate his whereabouts and the situation that was taking place.

We would like to thank Cory and Carlos, for their quick thinking, quick response, and caring nature to a stranger in need. Our Public Works, Parks and Sewer Departments are always traveling throughout the Township and their quick judgement call made a situation less scary and possibly prevented an incident becoming more severe. They not only went above the call of duty, but they were also fast thinking and followed all protocol as well. Palmer cares about their residents and visitors and will assist in any way possible to keep everyone safe and secure in our Township. Cory and Carlos's kindness is an example of showing what Palmer is all about, which is caring for one another and their community. Big shout out to Cory Nansteel and Carlos Juarez. Thank you both! We are so glad you are part of the Palmer Township Team!

STORMWATER AND WHAT IT MEANS TO YOU

The Federal Clean Water Act (CWA) prohibits the discharge of pollutants into waterways. Pennsylvania's Stormwater Management Act (Act 167) MS4 Program governs how Palmer Township must deal with stormwater runoff.

Palmer Township has a Stormwater System – separate from its Sewerage System. The Sewerage System carries “gray water” to the sewerage treatment plant on Route 611. **The Stormwater system drains directly into either the Bushkill Creek or the Lehigh River.**

The above drawing depicts what goes into the stormwater system and how it impacts our waterways and their inhabitants. Our rivers and streams flow directly into the Atlantic Ocean. The pollutants that we put in our stormwater system adversely impact our oceans, fisheries and ultimately our weather! Do you enjoy going to the Maryland or New Jersey shore and finding plastics, paper and other consumer products on the beach and in the water you are swimming in? You do know where it all comes from!

We all care about Clean Water, and we all play a major role in keeping it clean! Polls consistently show that CLEAN WATER is amongst people's biggest concerns. The largest cause of water quality problems is nonpoint source pollution, which comes from various polluting activities on the land. With more frequent “100-year storms,” improving stormwater management has become a front-burner issue due to a desire to mitigate runoff related problems before they occur.

What can you do to assist? You can start by simple acts such as: Use of a rain barrel to water your garden and shrubs. Develop a rain garden in your yard. Never dump anything down storm drains or in ditches. Many people wrongly think that storm drains are part of a sanitary sewer system that flow to a wastewater treatment facility. **Adopt a storm drain** via removing all debris clogging the drain thus preventing flooded streets, cars and basements.

The Miracle League of Northampton County resumed baseball activities with our athletes with intellectual and physical disabilities this summer and fall. During the summer we asked our athletes to return for limited games under the lights. We had good turnout, better than expected. We again followed CDC protocol. We also treated them to a night at Palmer Pool for a swim party.

We began our fall season with opening day on September 11, with all ten teams seeing action. All players received new uniforms and they all looked marvelous. After our opening day, single games were held on Tuesday and Thursday nights and three on Saturday's. We concluded our fall season on October 21. During our fall season we only allowed two parents to accompany their child as their volunteer at our venue in caution with COVID. Turnout was fantastic all season! But we miss our wonderful volunteers and can only hope that 2022 will see a return of those who make such a wonderful difference for our athletes.

On October 23rd, our annual Trick or Treat is again a Trunk or Treat. This year it was held at Bicentennial Park. This is always a huge success and we thank the Frantz family and the Lehigh Valley Yankee Fan Club for their support and organization of this exciting event.

Next year we will be celebrating our 10th season. It's hard to believe! We receive great support from the community but we continue to need to raise the necessary funds to be able to sustain what we do for our athletes and their families. You can donate by accessing our website at www.miracleleagueofnc.org or if you prefer to make your donation by mail, please send your donation made out to "Miracle League of Northampton County" and send to P.O. Box 3424 Palmer PA 18043-3424. Next year will be an exciting season for all of us. We will continue to update our community. We are extremely proud as a board to provide such a wonderful opportunity for those with intellectual and physical disabilities to play the game of baseball in a safe environment and very much appreciate our Director's, Amanda Sechrist and Dan McKinney for their outstanding efforts on behalf of our players and their families!

Attention History Buffs:

Meetings are held in the Palmer Library 10:00AM to Noon February – May and September – November. Membership is \$5.00 per year and includes invitations to all events.

In addition to protecting Palmer Township, there are special events that our Officers are also called to assist neighboring departments with. In August, Officer Kuronya along with his K-9 partner Szultan, who is a dual purpose Explosive Detection and Patrol canine, assisted The City of Bethlehem during the annual Musikfest.

9/11
20TH ANNIVERSARY
WE REMEMBER

Palmer Township

On September 11, 2001, America was forever changed. It has been 20 years since the attacks, but that tragic day, which served as a true test of the American spirit, will be remembered always. So, on this day, we observe Patriot Day and all that it represents. We honor the value of life, those we loved and lost, our country's resilience, and the strength of the American spirit.

On this 20th anniversary of September 11th, Palmer Township First Responders spent the month honoring, educating, and remembering the day we as Americans shall never forget.

On September 10th members of the Township Police Department were asked to meet with students at The Bethlehem Christian School to both educate young students the history of that tragic day, as well as sharing their unique perspectives and experiences over the last twenty years.

First Responders Remember 9/11

On September 18th PMFD and Suburban EMS battled it out during their second annual 9/11 remembrance softball game.

During our weekly training night, PMFD had a visit from a Township resident named Justin, who presented us with a framed representation of the icon picture taken on 9/11. Justin had spent nearly 2 days completing this project using his scroll saw.

On September 4th the City of Easton held a First Responder appreciation and 9/11 remembrance parade. Joining PMFD in the event was Township Chairman and Department liaison Dave Colver.

Are you familiar with the FDNY Stephen Siller story?

On September 11, Stephen, who was assigned to Brooklyn's Squad 1, had just finished his shift and was on his way to play golf with his brothers when he got word of a plane hitting the North Tower of the World Trade Center. He returned to Squad 1 to get his gear. Stephen drove his truck to the entrance of the Brooklyn Battery Tunnel, but it had already been closed. He strapped 60 lbs. of gear to his back and raced on foot through the tunnel to the Twin Towers, where he gave up his life while saving others.

Stephen's brothers created the foundation named Tunnel to Towers, which raises money to assist in building homes for 9/11 victims, and wounded military veterans. Tunnel to Towers Chairman and CEO Frank Siller passed through six states over the course of six weeks to honor the heroism of our first responders who lost their lives on 9/11. The over 500-mile Walk began at Arlington Fire Station 5 with the course route spanning over 500 miles from Washington, D.C. to the site of Ground Zero in NYC.

September 1st, Officers had the privilege of escorting Mr. Siller through Palmer as he made his journey to NYC.

On September 26th Palmer Township Police & Fire, along with thousands from around the world strapped on the same gear worn by hundreds of New York City First Responders on 9/11 who raced to the towers and retraced the exact same steps through the battery tunnel in memory of Stephen Siller.

KIWANIS CLUB OF PALMER TOWNSHIP

Kiwanis
CLUB OF PALMER TOWNSHIP

Kiwanis International is a global community of clubs, members, and partners dedicated to improving the lives of children one community at a time. Today, this global organization stands with more than 550,000 members in 80 countries and geographic areas. Each community has different needs, and Kiwanis empowers members to pursue creative ways to serve the needs of children. The Kiwanis Club of Palmer Township is proud to be a member of this community with our 52 members. Our fundraising and giving programs, focusing on children and those organizations who help children in Palmer Township and the Easton Area, have always been our mission during our 46 years as an organization.

During recent discussions within the Club and our Foundation we determined that we were in a position to make a significant financial contribution to the proposed Youth Center to be built on the site of the current field house at the Athletic Complex on Green Pond Road. We are extremely proud that this contribution provides us with the privilege of naming rights for the building (The Palmer Township Kiwanis Youth Center).

Being a member of a service club like Palmer Kiwanis is special. It's special getting together on Wednesday mornings at Williams Restaurant for fellowship and friendship as we enjoy each other's company, enjoy a good breakfast, plan our projects, and learn from our speakers. It's special that we kept the club together during the pandemic using Zoom, meeting at Penn Pump Park, and now back at Williams. It's special working as a team on our fundraising projects like this year's Golf Outing. Unfortunately, we have missed fundraising opportunities this past year because of COVID. It's special handing checks to organizations like ProjeCt of Easton, Third St. Alliance, The Children's Home of Easton to name a few. It's special being a member of Palmer Kiwanis. If you are interested in becoming a member of a service club to give back to our community, come and join us for a complimentary breakfast at our breakfast meeting at Williams Restaurant any Wednesday at 7:30 am.

Clearance of Snow from Public Sidewalks

Please remember that all snow, ice, or sleet shall be removed from all public sidewalks abutting your property within 12 hours after the snow has ceased to fall or accumulate thereon. This includes the accessibility ramps located at street intersections. Whenever it may be impossible to remove all snow, sleet, or ice, which may have become compacted by travel or formed on sidewalks so as to present a slippery surface, ashes, cinders, sand or any other suitable substance shall be applied as to facilitate safe walking upon the sidewalks.

Palmer Township has enacted an ordinance prohibiting the depositing of snow by property owners, residents and any person(s) onto the surface of any roadway, street, highway and other areas within the township. There have been times throughout the winter season when snow has been thrown onto the roadway after plowing has been completed and thaws and refreezes as day and night temperatures fluctuate, thereby causing hazardous areas on the roadway for both vehicular and pedestrian traffic. This prohibition includes, but is not limited to, snowplowing, snow blowing, shoveling and dumping of any snow, ice or other frozen precipitation onto the roadway and other areas of the township.

§109-3(SS) - Depositing snow prohibited: No person shall throw, blow, shovel, plow, push, dump or by any other manner, deposit any snow, ice, slush or other form of frozen precipitation upon any state highway, township road, median, roadside shoulder and swale, intersection sight triangle, inlet, public sidewalk, fire hydrant or privately owned property without the permission from the property owner. Exempted from these restrictions are state and municipal employees and other individuals contracted by said state or municipal governmental authorities expressly for the purpose of snow and ice removal and/or plowing.

The Township Board of Supervisors and Township Staff would like to wish everyone a Happy Thanksgiving, a Merry Christmas and a Happy New Year!

Dream...Believe...Dance

Congratulations to Magie Parsons and Angelina Kohl from Dream...Believe...Dance of the Charles Chrin Community Center of Palmer Township. Diane Grube and all her wonderful helpers from the Palmer Township Community Weekend graciously awarded a scholarship to be offered to the DBD dancers. Dream...Believe...Dance has been offering dance and tumble classes at the Charles Chrin Community Center of Palmer Township since 2007 and has been performing at Palmer Community Weekend for many years.

Although Miss Justine had a difficult time choosing only two dancers that she believed showed determination, kindness, an incredible work ethic, and a true love for dance, she ultimately chose Magie and Angelina. "I am lucky to have such an incredible group of dancers from Palmer Township and the surrounding area that it made my choice very difficult. I have so many dancers that are such hard workers and unbelievably kind to each other but ultimately Magie and Angelina stood out" said Justine Caiazzo-Strouse, director and teacher at Dream...Believe...Dance!!!

Magie Parsons came to DBD just a couple of years ago. She came with such a willingness to learn and improve, has great leadership skills, and immediately became a "big sister" to some of our younger dancers.

Angelina Kohl has been dancing with DBD since she was just 3 years old. Angelina has grown from the little preschooler who loved to twirl in her tutu to a young lady with grace and strength. Angelina performed her first solo last year which is generally terrifying for any dancer, but this young lady went out there and showed the world her grace, strength, and talent. Angelina always strives to work hard.

Congratulations to Angelina and Magie. Thank you to Diane and her team for supporting the arts and the youth of Palmer Township.

Magie Parsons

Congratulations!
