Mill Race Park Ecological Filter – MS4 Best Management Practice

Mill Race Park is not just a family friendly outdoor recreation space, it is also home to Palmer Township's first ecological stormwater filter. The ecological filter is located to the North of Bushkill Creek and to the East of Newlins Mill Road. Some may think nature is taking its' course, but this basin was designed to have all the native plants growing along the basin bottom.

All the native plant species, as well as rock structures in the basin bottom, aid in filtering stormwater naturally before it enters the Bushkill Creek. Plant roots grab nutrients from water to use for growth, and rocks create spaces for any sediment or debris to fall into, so it is removed from the stormwater.

Since the ecological filter is heavily reliant on the use of native plants for filtering stormwater, there are strict instructions for how species were originally planted, and how they need to be maintained. There is absolutely no fertilizer of any kind allowed near the plants in the detention basin. If any trees along the berm, or raised edge, of the basin should die, they need to be replaced by the same species. Grasses need to be mowed during the growing season except for the designated "no-mow" areas along the Bushkill Creek shore. Native plants in the basin even need to be watered if there is an extended dry period.

Plants are also used to maintain other aspects of the basin. For example, if there is erosion in the ecological filter the maintenance instructions dictate to plant more native grass to cover it. Planting grass to cover erosion makes sense because all the roots that anchor grass to the soil also keep soil from washing away during heavy rainfall.

The last line of defense, in case the system is overwhelmed by water, is called the emergency spillway (pictured above). The rocks in this rip-rap have the same function as those in the basin bottom, to filter any unwanted material from the stormwater before it reaches the Bushkill Creek. This rip-rap must be checked annually to make sure it is still intact and functioning properly.

Each aspect of this ecological filter must work in unison with the others to properly filter stormwater and protect our waterways from pollutants. When one part of the basin is not functioning properly the whole system is thrown off. That is why maintaining plant growth in the ecological filter is crucial. TRUST (noun)

1. firm belief in the reliability, truth, ability, or strength of someone or something.

Trust is earned over time by consistently doing what's right. At St. Luke's, trust is our foundation. St. Luke's was first in bringing innovative health care to the region 150 years ago, and we continue to be at the forefront of patient care and innovation. St. Luke's – the care you know and the name you trust.

What is a watershed?

What is my place in it?

What does it matter to me?

A watershed is all the land area that is drained by a stream. Whatever is uphill flows downhill! We all live downstream!

The map on the adjacent page outlines our three (3) watersheds and drain basins for each of the waterways impacted by Palmer Township. Which watershed does your residence impact?

We are all stewards of our environment. Through proper land management, greenway preservation and proper stormwater detention, retention and drainage, coupled with prevention of and removal of all roadside litter, will ensure that we live, work and play in a healthy environment within our community.

When it rains some water seeps into the ground, a lot of water flows off the land. Whatever is on the land, asphalt (oils), concrete (lime) and even our lawns (fertilizers, pesticides) ultimately washes into the stream. That means that anything and everything can, and does, wash into our waterways!

As Palmer residents we are part of the Bushkill Creek watershed that is approximately an 80 mi.² area originating at the base of the Pocono Mountains. Our watershed contains many natural features such as wetlands, bogs, fish habitat, plant and animal breeding grounds as well as scenic and recreational areas. Most important to our human population though, is the fact that the Bushkill Creek and other streams are part of a greater watershed, the Delaware River.

Did you know that our drinking water is sourced from the Delaware River?

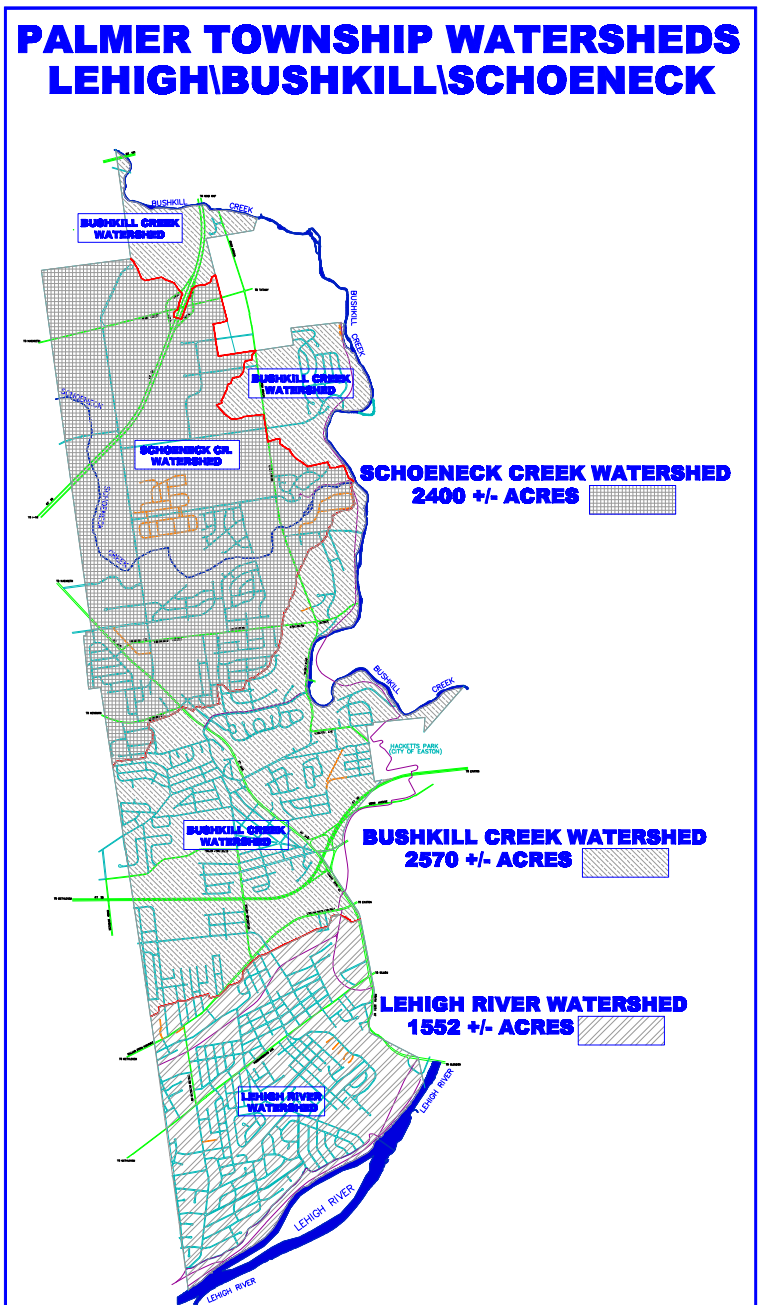

Remember anything that washes into the creeks, streams and rivers may ultimately need to be removed from the waterways before it becomes your drinking water. We need to be watchful and diligent as stewards of our environment to not only monitor the quantity of stormwater that flows to our streams but also the quality of the water flowing into the receiving waterways. Our waterways are monitored for macro invertebrates. Their existence is a sign of water quality and are a food source for our native fish. Simple things a resident can do immediately is:

1. Adopt a nearby storm drain and remove litter.
2. Reduce chemical use on your property and always follow the instructions for application recommended by the manufacturer.
3. Limit or reduce runoff from your property.
4. Use a rain barrel.
5. Make a rain garden.
6. Make your yard more habitat friendly such as looking at information from the National Wildlife Federation. You may also contact the local Soil Conservation District, Palmer Township's Environmental Steering Committee, Pennsylvania Master Gardener Coordinator or the Bushkill Stream Conservancy. **(To contact any or all of the above listed entities, Google search their name and their website will quickly appear.)**

7. Plant native trees that will offer shade to your house (reduce cooling costs) as well as provide oxygen and filter stormwater thus improving our environment.
8. Growing house plants, especially during winter, helps to purify and improve the quality of air in your home.

Planting of non-invasive plants will help to filter stormwater, preserves your soil, is a natural habitat for any number of insects (a lot of them are good) and animals, as each blossoms they will enhance the beauty of your property.

Future articles will address more of these concerns and specifically, the Historical, Recreational and Biological aspects of our waterways and how each of us is responsible to ensure that we do not deposit harmful chemicals, oils, detergents, roadside litter and other materials, all of which ultimately finds their way into our waterways.

In May, The Palmer Township Police Department sadly announced the passing of our Retired Corporal Dominick “Donk” Perruso. Corporal Perruso proudly served our Nation in the United States Navy, before continuing his Service to the residents, businesses and visitors of this Community for many years. Corporal Perruso was a founding member of our K9 Unit, and in addition, a founding and Charter member of the Palmer Township Municipal Fire Department.

In April, Palmer Township Police Department recognized our Administrative Professionals. These are the first faces you may see walking into, or who you speak with when calling our Station. Our behind-the-scene heroes do what everyone takes for granted to keep our Department functioning smoothly.

(L) Rich Rau
(R) Andreanna Corulla

Palmer Township Police Department is celebrating 75 years of service to our residents, visitors, and business owners of Palmer Township. The new insignia is now proudly displayed on our patrol vehicles to mark this milestone anniversary.

Palmer Township Kiwanis Youth Center Project — UPDATE

Progress continues to move along at the new Palmer Kiwanis Youth Center project on Green Pond Road.

The Palmer Township Kiwanis Youth Center Committee, a 501(c)3 corporation, is asking for your help with donations to our Capital Campaign.

This building will benefit all of Palmer Township! Youth athletics will benefit from a multi-sport room on the first floor, and our entire community will benefit from a 2,997 square foot community room on the second floor.

The Committee now has an easy on-line donation links for anyone interested in donating. All you need to do is visit: palmeryouthcenter.com, click on the “Donate” tab at the top of the screen and make your online donation by clicking the link. It will re-route you to a secure website that will process your donation.

Anyone wishing to make a donation by check may still do so by mailing your payment to:

Palmer Youth Center Project
 c/o Charles Romfo
 87 Jonathan Drive
 Palmer, PA 18045

Show your Palmer Pride and become a:

Palmer Youth Ambassadors - \$2,500 (Each)

Friends of the Youth Center - \$1,000 (Each)

Palmer Boosters - \$500 (Each)

Or make any donation amount of your choice.

Palmer Township Kiwanis Youth Center Project is an approved 501c3 Nonprofit Organization

The Palmer Township community has always been there supporting our youth and residents. We thank those who have donated in continuing to keep our Palmer Township tradition moving forward to the generations to come.

Below are photos of progress made since our May newsletter:

“The Palmer BIP has worked side by side with the township for over 40 years and has contributed nearly \$400,000 to community projects in Palmer Township. In 2021 we made one of our largest contributions by donating \$100,000 to the Palmer Kiwanis Youth Center. The BIP Board of Directors enthusiastically agreed to donate this money believing the youth center was an extremely valuable project that would benefit all Palmer residents.” ~ Bob Blanchfield President Palmer BIP

“The Palmer Township Athletic Association is excited about the Kiwanis Youth Center. The PTAA is really looking forward to using the new facility for its programs, especially football, wrestling, and baseball.” ~ Chuck Romfo, PTAA

“Palmer Kiwanis Club members firmly believe in helping children; we are excited to contribute \$150,000 for the construction of the Palmer Township Kiwanis Youth Center. This youth center will serve hundreds of children and adults from Palmer Township and the surrounding areas for many decades. We are proud to support a project which will have a positive impact on the community. Members of the Palmer Kiwanis Club encourage others in the community to contribute to this project which will serve generations of children. The youth center will be a major asset to the Palmer Township community.” ~ Chuck Lewis, Palmer Kiwanis

Suburban EMS end of Summer Safety Tips

The end of summer is an exciting time for everyone. Palmer Township Community Weekend is on the horizon, and school is around the corner. With exciting times come celebration, and some celebrations end with a bang. Fireworks can be dangerous if not handled properly or used without careful consideration. The end of summer also means school is about to start again! Back-to-school safety is something to enhance yearly. Discuss these safety tips with your school-age children, family, and friends to ensure they are as ready as possible to enjoy a safe end to summer and a great new school year.

End of Summer Fireworks and Palmer Days Fireworks Safety

- Never use fireworks while impaired
- Never allow children to use fireworks
- Use protective eyewear
- Use away from people, houses, and flammables
- DO NOT try to re-light/handle malfunctioning fireworks
- Keep water nearby to fully extinguish fireworks that don't go off
- Never use illegal fireworks

- Check township ordinances
- Sparklers are more dangerous than you may think
 - They can reach up to 2,000 degrees
 - Sparklers account for more than 25% of ER Visits for firework injuries
 - Consider using alternatives
 - Glow sticks
 - Confetti poppers
 - Colored streamers
- Be considerate of your neighbors
 - Those with PTSD
 - Those with young children
 - Those with pets
- Avoid distracted driving- The text and phone calls can wait
- Stop at the Bus's stop signs
- Always abide by the school zone speed limits

School Bus Safety

- Stay 5 steps away from the curb
- Always wait until the bus comes to a complete stop and for the driver to signal you to board
- Face forward after finding a seat on the bus
- Exit the bus after it stops and look **LEFT/RIGHT/LEFT** for cars before crossing the street

Back-to-School Safety

- Walk on the sidewalks
- Utilize the crosswalks
- Look **LEFT/RIGHT/LEFT** before crossing the street
- Avoid distracted walking
- Practice driving with new teen drivers

CURBSIDE RECYCLING

All carts should be placed curbside by 5:00am. Materials placed outside of the carts will not be collected. Lids need to be closed and not overflowing to prevent litter and cart lid breakage.

PAPER – office and school paper, newsprint, junk mail, paper bags, phone books, magazines, catalogs, envelopes, wrapping paper (no metallic paper or bows.) Shredded paper should be bagged and placed in the trash cart.

CARDBOARD – corrugated cardboard, paper towels rolls, and shipping, shoe, gift, and food boxes. No waxed coated boxes (i.e. frozen food boxes) or cardboard contaminated with food, paint or oil. Flatten or cut up for easy release from cart.

PLASTIC BOTTLES OR CONTAINERS – Rinsed household containers and bottles (such as soda, water, milk, juice, shampoo, detergent, condiments, yogurt, margarine, to-go containers, pet food, etc.) No Styrofoam. Look for the recycling triangle on the bottom with these numbers inside #1, #2, #3, #4, #5, #6, and #7. Lids attached.

FLEXIBLE (NOT RIGID) PLASTICS – these are *able to flex or wrap and are rinsed clean of food contamination*. Acceptable items include, plastic shopping bags, potato, chocolate chip and snack bags, produce bags including salad, grapes, and carrot bags, shredded cheese packages, pet treat pouches, case wrap, shrink film, bread bags, bubble wrap, cereal bags, drink and juice pouches, paper towel and toilet paper overwraps, detergent pouches, shipping bags.

GLASS - Rinsed clear, brown, and green bottles and jars. Discard lids.

CANS – Rinsed aluminum, bi-metal, and tin cans as well as empty aerosol cans.

METAL POTS AND PANS

CARTONS – Rinsed food cartons that contain milk, juice, broth, cream, egg substitutes, soup, soy milk, and wine boxes.

NO food contaminated items, electronics, textiles, construction debris, or yard waste.

2022 HOLIDAY COLLECTIONS

There will be no collection on Labor Day or Thanksgiving. Collections will be delayed by one day following these holidays.

CURBSIDE TRASH

- All trash goes into your green cart with the green lid. Materials outside the cart will not be collected.
- Trash should be bagged before being placed in the cart. Bagging helps keep your cart clean and reduces windblown litter.
- **Prohibited items include** recyclables, tires, hazardous waste, liquid paint, motor oil, electronics, yard waste, construction debris (wood, concrete, window panes, etc.), dirt, rock, car parts and fireworks and fire pit debris that has not been thoroughly soaked with water prior to being placed in the cart..

Overfilled carts or carts containing prohibited items will not be collected.

RECYCLING DROP-OFF LOCATIONS

Hartley Avenue Recycling Center

Monday, Wednesday, Friday: 12pm – 4pm
Saturday: 10-3pm
Sunday: 12pm-4pm Yard Waste

Accepts paper, cardboard, plastic bottles and containers, glass, cans, scrap metals, and yard waste (no more than 3 small bundles of yard waste (no larger than 1' high by 3' long and not exceeding 40 lbs.) per visit). Free to Palmer residents and businesses.

Berks Street Yard Waste Composting

Center – Open to Palmer Residents and Businesses Only

Accepts large amounts of yard waste for a small fee. NO plastic rope, bags, or twine, grass clippings, tree stumps, loose soils, sod, or any wood or tree limbs over twelve (12) inches in diameter, animal excrement, noxious weeds, or bamboo of any kind or soil.

For the safety of the attendants, residents, and township employees, the speed limit of 5 MPH must be adhered to from the time you enter the center gate until you leave.

Up-to-date and more comprehensive information is always available at www.palmertwp.com and via Palmer's Nixle alerts.

E-RECYCLING EVENT, SATURDAY, SEPTEMBER 17th, EASTON HIGH SCHOOL – 10:00am – 1:00pm - OPEN TO PALMER RESIDENTS ONLY – PROOF OF RESIDENCY REQUIRED

UPCOMING SPECIAL CURBSIDE COLLECTIONS

Place curbside on your scheduled collection day, but will be collected that week by a separate vehicle.

BULK ITEM COLLECTIONS - Weeks of September 12 and November 28

During the quarterly (4x per year) Bulk Item collections, on their regularly scheduled collection day, residents can put out one bulk item for collection. Bulk items are defined as items too large to fit into the curbside trash cart, no larger than a standard sofa, and capable of being lifted and moved by 2 men. Examples of bulk items include, but are not limited to furniture, tables, chairs, sofas, mattresses, area rugs rolled up and tied (no larger than 2' x 5'), etc. No hazardous waste, electronics, construction debris, yard waste, or additional household trash is acceptable as part of these Bulk Item collections.

Additional items, above and beyond the one allowed item, can be placed curbside for collection during this week, only if previously arranged and paid for by calling Waste Management at 800-621-2100 ahead of time. Identify yourself as a resident of Palmer Township to get the reduced price of \$40 per item. Be sure to get a confirmation number.

METAL AND APPLIANCES COLLECTION – Week of September 26

Includes all major appliances, such as washers, dryers, refrigerators, freezers, dehumidifiers, (Freon no longer needs to be removed) stoves, dishwashers (metal only, not plastic), hot water tanks, and trash compactors, BBQ grills and push-behind lawnmowers (gas, charcoal, oil removed), bicycles, swing sets if taken apart and bundled (no larger than 2' x 5") and other items of similar weight, material, size.

These items can also be taken to the Hartley Avenue Recycling Center.

YARD WASTE COLLECTION – Week of November 7

Unlimited amounts of yard waste (leaves, branches, twigs, flowers, roots, bushes, and garden clippings) will be collected curbside. Place your yard waste in any clean, open-top container (not in your automated carts), tie with cotton or hemp twine, bundle no larger than 3' x 3' x 3", and weighing no more than 40 lbs., or place in compostable paper bags. No grass clippings, tree stumps, loose soils, sod, wood or tree limbs over four inches in diameter; human or animal excrement; noxious weeds, bamboo, or soil contaminated with hazardous substance.

NO plastic rope, bags, or twine, grass clippings, tree stumps, loose soils, sod, or any wood or tree limbs over four (4) inches in diameter, animal excrement, noxious weeds, or bamboo of any kind or soil.

LEAF COLLECTION – Eight weeks in the fall

Residents must rake their leaves into the street and close to the curb. This collection is highly dependent on weather conditions.

CHRISTMAS TREE COLLECTION – First three (3) full weeks in January

Remove any transport bags, tinsel, ornaments, lights, and tree stands.

BIRTHDAY PARTIES

Join us for your child's birthday party. We provide two trained party coordinators who are ready to get kids moving and excited. We take care of set up and clean up to ensure a stress-free event. We provide pizza, juice, and all paper products. **Birthday Cake is not provided.*

Children will have the opportunity to play on different gymnastics equipment including: bars, beam, trampoline and the air trak, along with games and the parachute! If you have a child that is interested in sports, we can also incorporate a sport's theme into your child's special day! After one hour of play time the party coordinators will escort the children to the food area, where they will serve pizza and juice. Don't worry about clean up! The coordinators take care of clean up, as well as bagging all the birthday gifts to take home. *Please contact Brenda at 610-252-2098 for more information.*

Zumba Gold – Latin-inspired, dance fitness program designed for the active older adult, beginner participant, pregnant women, those who need modifications, arthritis sufferers, and those recovering from injury. This is a fun, feel-good, party-like class.

Silver Bootcamp – This is a great way to increase strength, flexibility, balance & coordination. Pilates is regarded as an ideal exercise regimen for people in or over their 50's due to low-impact exercise. Benefits are improved posture, stamina, and strength.

Zumba Gold Toning – "Muscle Toning for the Young at Heart", combines the cardio element of Zumba Gold with strength training techniques.

Silver Core Stretch – A full body stretch using movements that flow smoothly to increase flexibility, decrease muscle tension, develop core strength, and improve muscular balance.

Silver Yoga – This class will begin with a short breath practice and then work up to a mindful flow ending in a relaxing shivasana. Participants will explore getting into and out of different yoga postures and how to make adjustments when necessary. This class will use props, explore variations, and work on balance while increasing both strength and flexibility. No prior yoga experience necessary - all levels welcome! Come explore the beautiful blend of breath and movement to open up the body and enhance mobility.
