MIRACLE LEAGUE OF NORTHAMPTON COUNTY

The field was opened for the season in April and we are enjoying the warmer weather! Our players were treated to an Egg Hunt at the Charles Chrin Community Center in April. A few weeks later, we opened our 7th Spring Season with a fabulous turnout and some special guests. We have over 300 players and 10 teams, with all new uniforms this season. Look

for some new team names as well! The annual Miracle League Day at the IronPigs on May 12th is an ever-popular event where 24 of our players enjoy a game on the IronPigs field. Our players, families and volunteers enjoy this afternoon of baseball and buffet. This spring season runs through mid June and then breaks for summer. We'll start back up in the fall at the end of August. We love our families and volunteers and invite everyone to join us at the field this season! We are very appreciative of the support by the County, municipalities, individuals, organizations and businesses through grants, donations, volunteerism, and attendance at games. The Board of Directors very much appreciates this support and thanks all those involved. We also thank Palmer Township and the Public Works Department for maintaining the area around our field. Game schedules, volunteer opportunities and player registration are available at our website, miracleleagueofnc.org, and like us on Facebook for the latest news. You can also follow us on Twitter and Instagram for the most up to date happenings. At all our games, the spirit of sportsmanship, community support, and volunteerism come together to support our motto of "Every Child Deserves a Chance to Play Baseball."

RECYCLE OFTEN.
RECYCLE RIGHT.™

Most Common Contaminants

Keep these common contaminants OUT of your recycling bin.

NO Recyclables in Plastic Bags

Empty loose recyclables in bin but leave the plastic bag out.

NO Food & liquids

Compost instead! Otherwise, it belongs in the trash.

NO Electronics & Small Appliances

Donate if in good condition, or schedule a bulky item pickup, if available. Check earth911.com for a local drop off site.

NO Textiles, Bedding, Rugs & Carpet

Donate these items if they are in good condition. Large quantities may require special disposal.

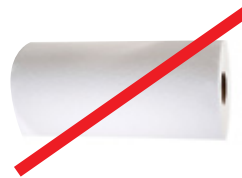

NO Hoses, Holiday Lights, Hangers & Extension Cords

They wrap around equipment and can shut down an entire facility! They all go in the trash.

NO Plastic Bags, Film/Sheeting & Flexible Film Packaging

Take plastic bags back to a local grocer to keep bags clean and dry, and prevent them from shutting down recycling facilities. Visit plasticfilmrecycling.org to find a drop off location near you.

NO Paper Napkins, Plates, Cups & Tissues

Compost if possible, and remember to recycle the cardboard tube.

NO Polystyrene Foam

Foam and plastic to-go containers are not recyclable curbside. Find drop off programs for items like foam packing peanuts at earth911.com.

NO Tires, Auto Parts & Scrap Metal

(Not in recycling or trash) Can damage equipment & are safety hazards. Contact local scrap recyclers or retail tire stores for recycling options, or check earth911.com for a drop off center near you.

NO Concrete, Wood & Construction Debris

Can damage equipment & are safety hazards. You may be able to schedule a bulky item pickup - otherwise throw it in the trash or order a roll off bin by contacting Waste Management Customer Service.

NO Yard Waste & Wood

Compost or put in your yard waste cart, if available. Otherwise, it belongs in the trash.

NO Non-Recyclable Plastic

Not everything that is plastic is recyclable! Recycle only food & beverage bottles, jugs and tubs.

For more information on recycling, visit RecycleOftenRecycleRight.com

Recycle Right:

Increased costs could be in our future if we're careless about recycling

Many well-intentioned people think they are doing the right thing by recycling items they believe are recyclable, but putting the wrong things into your recycling bin can contaminate and potentially ruin the value of good recyclables. Common examples of items that can destroy the value of a household recycling load include wiring, hoses, plastic bags, and pizza boxes, etc.

The global market has shifted for recyclables and a big part of the problem is the increased cost of processing contaminated recyclables. Municipalities, businesses, and private haulers are often forced to pay contamination fees to processing facilities, and these costs are eventually passed on to residents. To offset price increases in recycling, municipalities nationwide have begun increasing education, issuing citations, charging fees, and/or instructing recycling collectors to not accept contaminated recycling bins until the contamination is removed.

Recycling is alive and well despite contamination problems in most parts of the country. It is still cost effective to recycle. Better and more efficient technologies and processing facilities are coming, but consumers **MUST** do a better job overall. ***So please, recycle right by placing only acceptable items in your recycling cart and help us keep our prices low!***

NEW RECYCLING CENTER HOURS!

In response to numerous requests, effective May 1st the Recycling Center will now be open:

- Monday, Wednesday, and Friday from 8:00 am to 4:00 pm
- Saturdays from 10:00 am to 3:00 pm
- Sundays from 12:00 noon to 4:00 pm.

The center is open year round, closed on major holidays, and located at 3600 Hartley Avenue, Palmer.

2019 Special Curbside Collections

Place items curbside for pick-up on your regularly scheduled collection day; item will be collected that week by a separate vehicle.

Yard Waste Collections:

Weeks of June 3 and November 4

Unlimited amounts of yard waste (leaves, branches, twigs, flowers, roots, bushes, garden clippings). Place your yard waste in any open top container (your old green, round recycling container or a clean trash

container (NOT YOUR AUTOMATED CART), and/or tie with cotton or hemp twine in bundles no larger than 3' x 3' x 3', and weighing no more than 40lbs, or place in compostable paper bags (NO PLASTIC BAGS, ROPE OR TWINE). No grass clippings, tree stumps, loose soils, sod, any wood or tree limbs over four (4) inches in diameter, animal excrement, noxious weeds, or bamboo.

Bulk Item Collections:

Weeks of May 13, September 16, and December 2

Each residence is allowed to put out one (1) bulk item during each of these collection weeks. Bulk items are defined as items too large to fit into the waste cart; with the general rule of thumb being an item the approximate dimensions and weight of a standard size sofa that can be carried by two (2) men. Acceptable items include dishwashers, furniture, mattresses, rolled up and tied rugs no larger than 3' x 6'. No electronics, construction materials, hazardous waste, tires, yard waste, grass clippings, or additional household trash.

If you can't wait for a bulk item collection, you may request a special bulk item pickup by contacting Waste Management Customer Service at 800-621-2100. Identify yourself as a resident of Palmer Township, PA to receive the Township's \$25 per item pickup price. Be sure to get the confirmation number in the event follow-up is needed.

Metal/White Goods Collections: Week of September 30

Appliances such as air conditioners, dehumidifiers, refrigerators and freezers (remove doors and all Freon must be removed professionally and tagged with certification of removal prior to being placed at curb); washers, dryers, steel or aluminum tire rims (w/o tires), hot water heaters, bicycles, BBQ grills, and walk-behind lawnmowers (oil, gas, and propane removed). No electronics or dishwashers (most no longer made of metal). Metal and white goods can be taken year round to the Palmer Township Recycling Center, 3600 Hartley Avenue.

Special Volume Collection

This collection is available for large amounts of household trash only and must be bagged or in cans (not to exceed 32-gallon size or 40 lb. weight limit). No bulk items. Residents must schedule and pay in advance by contacting Waste Management 800-621-2100. Identify yourself as a resident of Palmer Township, PA in order to receive the price of \$25 per collection. Be sure to get the confirmation number in the event follow-up is needed.

PART-TIME RECYCLING CENTER ATTENDANT NEEDED

Palmer Township is looking for an attendant willing to work outside, capable of light lifting, and enjoys interaction with the public. Responsibilities will include providing recycling education, monitoring containers, opening and closing the center, maintaining minimal records, and operating the cardboard compactor. Email Scott Kistler at skistler@palmertwp.com for additional information. Applications are available at the Palmer Municipal Building, 3 Weller Place, Palmer.

Helping Our Businesses

Helping Our Community

The BIP held their January 23, Business Luncheon at the Marblehead Chowder House and as in the past, the first meeting of the year included the State of the Township. Interim Township Manager, Brenda DeGerolamo, stated the 2019 budget was adopted by the Board of Supervisors on December 10, 2018, with the goal to continue to provide high-quality municipal services to our residents and businesses. She reviewed the 14 different funds that are included in the township budget noting they total \$33.5 million. She also noted the Board was able to present a no tax increase budget with the millage rate remaining at 8.25 mills. DeGerolamo continued with updates on activities going on within each department in the township.

Police Chief Lawrence Palmer handed out information to those in attendance and reviewed the data related to uniform crime statistics for 2018. Palmer noted theft crimes remain high principally because of the thefts from cars in the township. He urged residents to keep their vehicles locked and to keep valuables out of sight. Chief Palmer also report the department is in the process of creating a crime watch program that will use social medial to make residents more aware of what is going on and will include preventative measures.

Chairman of the Board of Supervisors, Dave Colver, then reviewed projects that are taking place in the township, as listed below:

- The Fire Department is planning the development of a fire training facility in the vicinity of the police training area near Riverview Park.
- The construction of an apartment complex on Hartley Avenue will begin in 2019.
- The remaining site work at the Charles Chrin Community Center of Palmer Township will be completed this year.

The Tuskes development on both sides of Northwood Avenue will be continuing through the year. Northwood Ave. will be closed this year to complete the improvements which were started in 2018.

- Major development has taken place in the northern section of the township throughout this past year and will continue in 2019.
- An increase in tax revenue for the township, school district and county will come from these projects beginning this year and continuing into the future.

The township's Comprehensive Plan update was completed in 2018 with consulting assistance from Environmental Planning and Design. The township is currently updating its Zoning Ordinance with the help of the same consulting firm which should be completed by the end of 2019.

Pride in Palmer Award

In November 2018, Lehigh Valley Marital Arts was the recipient of the Business, Industrial and Professional Associations Pride in Palmer Award. The award is presented to businesses that use Palmer Township in their marketing materials and advertising. Thank you Lehigh Valley Martial Arts for being Palmer proud!

Palmer Township gratefully acknowledges the generosity and support of the businesses and individuals who have placed advertisements in our newsletter. This newsletter has been designed and printed at no cost to you, our residents. We encourage you to patronize these businesses as they play a vital role in the economic stability of our community.

The weather is finally warming up and spring daffodils are showing their green leaves proudly. Generally, daffodils flower most of the month of April here in Palmer. David Carr, president of the Palmer Township Beautification project gives his advice on beautifying your outside space. "A beautiful plant is the Hibiscus and my thought is to dig out some of my hibiscus plants as one would dig out a sizable tree with a root ball. I did this procedure early last fall and friends successfully transplanted it in their yard in western Pennsylvania. My hibiscus plants were grown from seed. Some of the seeds that I harvested from my plants for the past two years are sitting in my basement now. There are several pounds of these seeds. Some will be cast into the compost at Fairview Park. If I continue to harvest the seeds each year, one can only guess who will want to share in this bounty and plant them where they desire. I always give my seeds and plants away for free. Advice is also given away. Some plants have also been delivered and planted in new friend's gardens."

The focus of the Palmer Township Beautification Project has been to build and maintain the bike path garden at Fairview Park and the two gardens at the chain link fences along Greenwood Avenue at the Palmer Post office. The Fairview Park garden is 250 yards long on the north side of the macadam bike path. There has been a lot of work invested at both sites by Palmer Township. They cleared brush and poor soil and added composted leaf mulch for a growing medium. Palmer's efforts have made these areas beautiful with flowering plants all donated by Palmer residents and the Netherlands Bulb Company. Over several years, the Netherlands Bulb Company donated 900 pounds of mostly daffodil bulbs. The 900 pounds is not a typo! What would be appreciated? A little volunteer time would help significantly. Weeds always grow. Plants need water and droughts do happen. Adopting a plant or a few is not unheard of. This would be easy at the Post Office gardens. Just be careful of the cars that speed by. Giving them a drink when passing by would add to the beauty of our part of the world. If you have any questions regarding this project, contact Dave at d.carr@rcn.com or at 610.704.5868.

KIWANIS CLUB OF PALMER TOWNSHIP

On March 24, 2019, the Kiwanis Club of Palmer Township celebrated its 44th year as a service club with the sole purpose of following the Kiwanis International Principles and to help children throughout the Easton Area through our giving program. At one of our meetings in February the Club made a donation to the Palmer Branch of the Easton Area Library to support their STEM (Science, Technology, Engineering, and Math) program. Accepting the donation was Stephanie Supinski, Head Librarian of the Palmer Branch. Ms. Supinski indicated that the "introduction of this program at the library was in response to a report indicating that children in the United States are well behind the majority of the world in these important disciplines. If we are to succeed as a leader in the world our children must succeed in the disciplines of STEM." Supinski further indicated that it "is one of her goals to give as many children as possible the books and tools to learn more about STEM."

Palmer Kiwanis is very proud to be able to support a program like this. This is only one example of the programs that we support through our grant program each year. In order to do this, the Club is involved in various fundraising activities throughout the year. To manage these fundraising activities, the Club meets every week for fellowship and to plan activities to raise the money needed to support our objectives. We would be pleased to have you join us at one of our breakfasts so you can see first hand the fellowship we share and the fun we have while doing good things for the community. The Club meets every Wednesday morning at 7:00 AM at Williams Restaurant - 3630 William Penn Highway - Palmer Township.

From left to right in the picture are: Stephanie Supinski, Head Librarian of Palmer Library, Elaine Arnts, Palmer Kiwanis Treasurer, Jennifer Long, Executive Director of Easton Library and Victor Scmillio, Palmer Kiwanis President.

In the picture from left to right are Elaine Arnts and Club President Victor Scmillio

One of the highest awards given to a Kiwanian is the Hixson Award. At a recent meeting of the Kiwanis Club of Palmer Township, this honor was bestowed on member Elaine Arnts, a Palmer resident. In his presentation remarks, Club President Victor Scmillio indicated "Elaine has been a dedicated member of the Club for 12 years. During that time she was president in 2010 and 2011, Division 17 Lt. Governor, is a member of the board of directors and is the current Club treasurer. She is also a long time member of the Club's scholarship committee.

In her honor, the Club has donated \$1,000 to Kiwanis International's Children's Fund. This fund is to develop resources that transform the goodwill and vision of Kiwanis into programs that serve the children of the world.

For more information about the Club visit our website @ www.palmerPAkiwanis.org and/or follow us on Facebook @ facebook.com/palmertownshipkiwanis."

Do you enjoy true crime? Are you hooked on TV shows like Snapped or Forensic Files? Our library has an adult book group that meets every other month from 6:00-7:00pm for fans of the genre. All true crime fans are welcome!

Themes for upcoming meetings are:

- Thursday, May 16: Children of Killers
- Thursday, June 20: Amanda Knox
- Thursday, July 18: JonBenet Ramsey

Participants can read any book or watch any media on the crime and come together to discuss this case. To get monthly updates and meeting reminders, sign up for the True Crime Library mailing list: bit.ly/TrueCrimeLibrary.

Young Adult News:

Teen Chat & Chew

It's like a pizza club with a book obsession. This group for teens meets select Saturdays every other month at the Palmer Branch. Teens can read any teen/YA book they want on a selected theme and rave or rant about what they read. Pizza and snacks are provided.

Upcoming meetings are:

- Saturday, May 4 at 2 pm: Space Operas
- Saturday, June 29 at 2 pm: Romance
- Saturday, July 27 at 2 pm: Reader's Choice! Tell the group about a book you recently read and enjoyed.

Teen Writing Group

The Teen Writers group meets monthly on selected Saturdays from 1-2pm.

The Teen Writer's Workshop is excited to welcome author Amanda Lance as a co-leader for the next few months, as she works on her MFA at Wilkes University. The group will be working towards creating a plan for a full-length work, such as a novella. Areas include character and plot development. For more information, contact Ashley at absupinski@gmail.com.

We would also like to thank authors Marlo Berliner and Susan Beller. Mrs. Berliner spoke at Barnes & Noble Bethlehem about writing and publishing. (Thank you to everyone who came out and supported our group!) Mrs. Beller visited the group on March 9 at the library. She talked about historical research and tips for writing

YA Fest 2019

The sixth annual YA Fest is coming to the Palmer Branch on August 10, 2019! This year, we're excited to welcome teen mega-author Gretchen McNeil, whose 2012 release, *Ten*, earned a place on several Top Ten lists for teens and was recently adapted into a Lifetime movie. Teens who visit the library during the summer also have a chance to get Golden Tickets, which gives teens extra perks at the Fest! Visit yafestpa.com for more info, including the full list of attending authors.

Thank You

A very special thank you to the Kiwanis of Palmer Township for helping the Palmer Branch of the Easton Area Public Library to fund a STEM Center! We are very grateful for this opportunity to introduce the children in our community to the fascinating STEM challenges that will now be available whenever they visit our library!

Temporary Pools

All temporary pools capable of holding more than 24 inches of water DO require a permit and inspection each year the pool is erected. The permit must be obtained before installation occurs. Use of the pool shall be prohibited until an inspection is obtained and approval has been issued by the Building Department.

Please be aware that pools with heights between 24 inches and 48 inches will require a permanent barrier in accordance with the 2009 International Residential Code. Also, overhead power lines, grade slopes and zoning setbacks will have an impact as to the allowable location of a pool. Call the Building Code Department with any questions at 610-253-7191.

Grass/Noxious Vegetation and Sidewalk Clearance

Spring is finally here and it is time to put down that snow shovel and start-up the lawn mower! Palmer's ordinances limit the height of grass and noxious vegetation to a maximum of 6-inches.

Also, please maintain the sidewalk clear of impeding tree branches, bushes and decorative vegetation by cutting such back so that the full width of the sidewalk, to a height of 7-feet, is accessible for the safety of pedestrians.

As we approach the summer season, the staff at Palmer Township Fire would like our residence to keep safety on their minds when enjoying the outdoors.

Grilling Safety

Propane and charcoal BBQ grills must only be used outdoors. If used indoors, or in any enclosed spaces such as tents, they pose both a fire hazard and the risk of exposing occupants to toxic gases and potential asphyxiation.

Position the grill well away from siding, deck railing, and out from under leaves and overhanging branches. Many folks are surprised at how fast vinyl siding can melt from a hot grill that is too close.

Periodically remove grease or fat buildup in trays below the grill so it cannot be ignited by a hot grill. If you are using a gas grill and the flame goes out, turn the grill and the gas off, then wait at least five minutes to re-light. LP Gas is heavier than air, so it can quickly collect in the bottom of a grill. When using charcoal grills, purchase the proper starter fluid and store out of reach of children and away from heat sources. Never add charcoal starter fluid when coals or kindling have already been ignited, and never use any flammable or combustible liquid other than charcoal starter fluid to get the fire going.

When using gas grills, check the propane cylinder hose for leaks before using it for the first time each year. A light soap and water solution applied to the hose will reveal escaping propane quickly by releasing bubbles. You can determine if your grill has a leak by smell, the soapy bubble test and if there is no flame.

Outdoor Burning

Palmer Township has strict ordinances relating to outdoor burning. When enjoying your patios and decks with a fire, Palmer Township only allows burning in a chimenea that is constructed with a flue. Any type of open burning, both camp fires and yard waste is strictly prohibited and enforced.

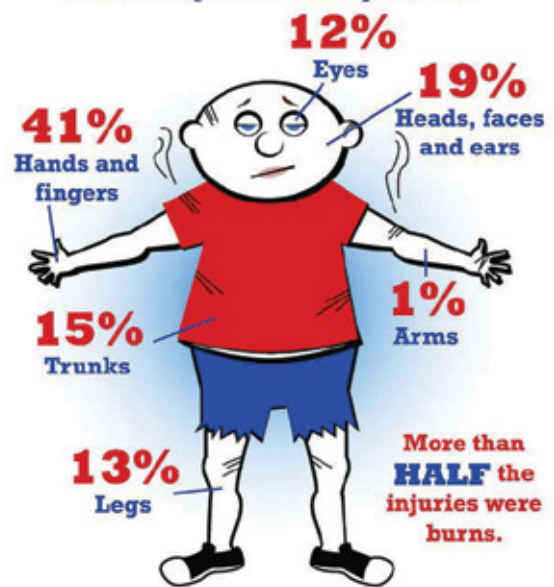

Pennsylvania Fireworks Laws

Although certain laws were lifted in Pennsylvania in regards to fireworks, they still pose an injury and fire hazard. The following laws remain in effect in Pennsylvania:

- Buyers must be over 18 to purchase fireworks.
- Fireworks can't be discharged from or toward a building or vehicle.
- Fireworks users must have permission from the owner of the property where the fireworks are to be discharged.
- Fireworks can't be used within 150 feet of an occupied building.
- Fireworks can't be used by someone under the influence of alcohol, drugs or controlled substances.

Suburban EMS

Suburban EMS, who provides 911 service to Palmer and thirteen other Northampton County municipalities, would like to recognize all of our Emergency Medical Technicians and Paramedics for a job well done.

Our staff continually makes us the leader in EMS in Palmer Township.

Your efforts, day and night, are appreciated by all.

Suburban EMS provides emergency and non-emergency transport throughout our area. If you have any questions about us, visit our web site at www.suburbanems.org or call our administrative office at 610-923-7500.

CRIMEWATCH Network

The Palmer Township Police Department has joined other police agencies in Northampton County and in Pennsylvania, by signing up for participation in the CRIMEWATCH Network.

The Palmer Township Police Department is the 2nd Northampton County based police department to go live on the CRIMEWATCH Network.

The CRIMEWATCH Network is a platform that creates transparency in local law enforcement and gives our community members instant access to information that impacts their safety. Now that our department is live with CRIMEWATCH, members of our community can sign up to receive free alerts about crime where they live. This means that if someone in your neighborhood gets arrested for a serious crime, you receive an alert right on your smartphone, and the alerts are not just text, they include the picture of the offender (when available) and the details about the arrest.

One of our intentions in signing up with CRIMEWATCH is to use the platform as a media release hub, pushing information out to our other social media and news media outlets. The Palmer Township Police Department intends to use the CRIMEWATCH Network to keep our citizens informed, connect with our community, and allow for feedback regarding the services we provide to our community.

Promotions

In January, the Palmer Township Police promoted two officers:

Lieutenant Wayne Smith (left) was promoted to the rank of Deputy Chief of Police. Deputy Chief Smith is a 28 year veteran of the department, having held prior ranks of Corporal, Sergeant, and Lieutenant.

Officer Jeff Karp (right) was promoted to the rank of Sergeant. Sergeant Karp is a 22 year veteran of the department, and is assigned to supervise Platoon C, night shift.

Police Chaplain Program

In February, The Palmer Township Police Department hosted The Police Chaplain Program Basic Training Course.

The Police Chaplain Program creates a partnership with various faith-based leaders of a community to respond and assist police and other law enforcement agencies providing an overall better quality to the citizens of cities and communities.

The goal is that by having the Police and Clergy working together during times of crisis or incidents, that a more comprehensive response will be given to those in need. The faith-based leaders will perform tasks of a more emotional, social or spiritual nature while the officers handle those tasks that are of a law enforcement nature.

The newest Township Clergy were sworn into their appointed Police Chaplain positions at the February 27th Board of Supervisors Meeting, by Board Chairman, David Colver.

We welcome their dedication to our Department and to our Community.

Congratulations to the most recent class to complete The Police Chaplain Program Basic training course, including our newest Palmer Township Police Chaplains: (left to right) Chaplain Peter Keady - Prior graduate and Senior Police Chaplain; Chaplain Dan Brettell of St Paul's Third Lutheran Church; Chaplain Brent Robinson of the Bethel Memorial Baptist Church; Chaplain Jameson Baxter of New Creation UCC

Sing N Move – A music class where you and your baby will get to sing, move, and play! They'll not only explore themselves but their surroundings and social skills. It's a learning and bonding experience for you both.

This class runs in 4-week sessions at a time, if you miss the start of one you will have to wait for the next. We want to make sure you and your child get the most out of the experience!

Amazing Athletes - We use sports as a catalyst to meet the needs of the whole child through non-competitive, sports-based fitness classes designed to advance each child's individual motor-skills and inspire future participation in physical activity. Your child will get to explore 9 different sports; including basketball, football, soccer, volleyball, tennis, hockey, golf, lacrosse, and baseball.

You'll register right at www.amazingathletes.com/lehighvalley; be sure to choose the Charles Chrin Community Center of Palmer Township location with Coach Gary!

Tumble Time – For children ages up to 4 with a parent/guardian. Bring children to play in a safe open play environment. They'll get to use our tumble equipment, the air trak every other week, and accompanied by fun music! Each day we'll end with bubbles and a stamp. *This is a walk-in program. Come early as we only accept 30 children at a time.*

Last day for Tumble Time will be May 23rd, 2019. Tumble Time will resume in September.

Brief Class Descriptions:

Zumba Gold – Latin-inspired, dance fitness program designed for the active older adult, beginner participant, pregnant women, those who need modifications, arthritis sufferers, and those recovering from injury. This is a fun, feel-good, party-like class.

Zumba Gold Toning – “Muscle Toning for the Young at Heart”, combines the cardio element of Zumba Gold with strength training techniques.

Core Stretch – A full body stretch using movements that flow smoothly to increase flexibility, decrease muscle tension, develop core strength, and improve muscular balance.

Pilates – This is a great way to increase strength, flexibility, balance & coordination. Pilates is regarded as an ideal exercise regimen for people in or over their 50's due to low-impact exercise. Benefits are improved posture, stamina, and strength.
