## Miracle League of Northampton County

The Miracle League of Northampton County, which provides those with intellectual and physical disabilities to play baseball, was impacted as had all school activities and spring sports due to COVID-19, we had to cancel our spring season.

During the time that all of our Miracle League Families have been home, one of our Directors who also is the Manager of Northampton County Special Olympics, Amanda Sechrist, set-up various zoom meeting to assist in keeping our athletes active with theme-based programs such as cooking classes, eating healthy discussions, talent shows, favorite team days, hat days, and uniform days just to name a few. Those opportunities were appreciated by our families and our athletes.

As we approach the fall season, we hope to be able to implement a full schedule that would run from August into September. Of course, all is subject to change. If we do have a fall season, every precaution will be taken into consideration to have our athletes remain safe. Also, we certainly do not want to risk the safety of our volunteers, concession help, and other participants who play a significant role at our facility located at the Charles Chrin Community Center. We will keep our Miracle League families up to speed by sending out messages to their homes through our "One Call" phone and email contact system as well as posting updates on our Miracle League website at [www.miracleleagueofnc.org](http://www.miracleleagueofnc.org), and our Facebook page.

Please call the library, check our website (eastonpl.org), and follow us on Facebook (@EAPLOfficial) and Instagram (@EAPLibrary)

for the most current updates on in-person or virtual activities for children, teens, and adults.

**A NOTE FROM STEPHANIE SUPINSKI:**

I would like to take this opportunity to thank the patrons of the Palmer Branch of the EAPL. Managing the branch has been a rewarding career and one that I will greatly miss. From the little toddlers who have grown into adulthood as well as the older patrons who shared with me their wisdom throughout the years. What treasures I will take with me. It is not often that a person can say they loved their job, but I can honestly say, I loved my job!

Miss Katie Cardell will take over the position of Branch Manager. She brings excitement, fresh ideas, and a love for the library with her. I know the branch will flourish under Katie's leadership.

As Winnie the Pooh quoted, "How lucky I am to have something that makes saying goodbye so hard."

**ESC TO LAUNCH ENVIRONMENTAL WEBINAR SERIES**

Beginning this fall, Palmer’s Environmental Steering Committee will launch a series of environmental webinars covering fun topics (backyard composting, gardening to attract pollinators) to more serious issues (encroaching pipelines, healthy streams and their ecosystems) impacting Palmer Township residents. Do you have a topic that you are interested in? What do YOU want to know? Our first webinar in September is entitled “Let’s Have a Conversation” and will focus on hearing from our residents about whatever they’d like to learn more with respect to all things environmental. Join us on Wednesday, September 9th, at 6:30pm. If you can’t make it, send your ideas, thoughts and requests to the committee via [coatis@palmertwp.com](mailto:coatis@palmertwp.com). All are welcome to join us anytime at our monthly meetings on the 4th Wednesday of each month. These meetings are currently being conducted via Zoom, and meeting information will be posted on the Palmer website a week in advance.

**PALMER’S RECYCLING CENTER**  
3600 Hartley Avenue

This center provides a free and easy option for our residents and small businesses to drop off all their recyclables and comply with PA DEP ACT 101. Be sure to sign in with the attendant and your business won’t need to keep track of recycling weights for yearly reporting – we’ll do it for you!

The center currently accepts plastics #1,2,3,4,5,6, and 7 (no Styrofoam); glass bottles and jars; aluminum, bi-metal, and tin cans; newspapers, office paper, magazines, junk mail, phone books; and cardboard. Additional containers are available for scrap metal and small amounts of yard waste (maximum of 3 bundles allowed per visit).

**HOURS OF OPERATION**  
**Monday, Wednesday, and Friday – 8 to 4pm**  
**Saturday – 10am to 3pm**  
**Sunday – 12pm to 4pm**

**BUSINESS RECYCLING IN PALMER**

**What’s Important to Know**

The Municipal Waste Planning, Recycling and Waste Reduction Act of 1988 (Act 101) requires commercial, institutional, and municipal establishments located in Pennsylvania’s mandated municipalities to recycle office paper, corrugated paper and cardboard, newsprint, plastics, steel, aluminum, and bimetallic cans, glass, and leaf waste.

**Recycling Reporting Must be Provided Annually**

The State also requires that all commercial, institutional and municipal entities must provide written documentation as to the type and weight of materials recycled annually. Reports are due to Palmer Township by January 30th of each year on a form provided by the Township.

Contact Cindy Oatis, Palmer Township’s recycling coordinator at [coatis@palmertwp.com](mailto:coatis@palmertwp.com) or 610-253-7191, Ext. 1160 to obtain more information, to help assist in creating a new program or to enhance an existing one.

**UPCOMING CURBSIDE COLLECTIONS**

Place items curbside on your regularly scheduled day. They will be collected that day or within that week by a separate truck other than your regular collection vehicles.

- Bulk Item Collection:** Weeks of September 14, and November 30, 2020
- Metal Items and Appliances Collection:** Week of September 28, 2020
- Yard Waste Collection:** Week of November 9

*Restrictions Apply. Visit [www.palmertwp.com](http://www.palmertwp.com) for more information.*

**Leaf Collection** – Leaves are collected curbside by Palmer Public Works with a vacuum truck for eight (8) weeks during the fall. Rake or blow your leaves to the street and close to the curb. No bags. This collection is weather dependent.

## Earth Stewards of Palmer Township

As a continuum of the Keep Palmer Beautiful - Pride in Palmer project, over the last several years a variety of volunteer citizens have been periodically clearing litter from our roads and trails. Especially during these COVID-19 times, we ask each citizen to join the volunteers in a 'crusade' to rid our Township roads, trails, lawns, parking lots of litter!

Most roadside and trailside litter consists of fast food wrappers, plastic water/sports drinks and alcohol beverages as well as nitrile gloves and face masks. Our community's health is impacted by litter. As litter festers curbside it becomes a source of disease, fly infestation and maggots.

Most of the litter is collected along our major thoroughfares such as Route 248, Hackett's Avenue, 25th Street (Freemansburg Avenue south to the Glendon bridge), Tatamy Road and Greenwood Avenue.

During the past two years the amount of collected litter is nearing two tons. This discarded roadside litter collects over storm water drains, preventing proper drainage as well as forcing litter into our streams and rivers and ultimately our food supply. As you drive past our remaining farmland you will note paper and plastics in the fields. As these materials ultimately breakdown their molecules are absorbed into the crop.

Please keep a collection bin in your car for disposal of any items to be discarded upon arriving home, or in the available trash bins when stopping to fuel your vehicle. In this way you will be setting an example for your children to follow into their adulthood years.

It is incumbent upon each of us to act responsibly and set a proper example for our future generations who will inherit the planet as is! Township residents and business owners are encouraged to join the fight against litter in our community. We need you to be an active participant helping to Keep Palmer Beautiful!

We're ready for YOU!

St. Luke's is working tirelessly to ensure our hospitals and facilities are as safe as ever:

- We are all masking for you
- We screen all patients for COVID-19 symptoms prior to appointment and convert suspected positive screens to virtual appointments
- We limit the number of people in our waiting rooms and maintain social distancing
- We limit guests to 1 per person and mask all guests
- We keep patients with COVID-19 in separate patient rooms
- We make sure our staff is healthy and fever-free
- We provide virtual registration and check-in as well as online payments
- We offer a blend of appointments (in-person and virtual)
- We maintain high levels of infection prevention, repeatedly cleaning and disinfecting all waiting and exam rooms

**WHEN YOUR PET GOES ON THE LAWN,  
REMEMBER IT DOESN'T JUST  
GO ON THE LAWN.**

When our pets leave those little surprises, rain washes all that pet waste and bacteria into our storm drains. And then pollutes our waterways. So what to do? Simple. Dispose of it properly (preferably in the toilet). Then that little surprise gets treated like it should.

If you have questions regarding storm water, please contact your municipality or Pennsylvania Department of Environmental Protection's Regional Office.  
For general questions, you may also contact DEP's Bureau of Water Management at (717) 772-5661 or visit [www.dep.state.pa.us](http://www.dep.state.pa.us).  
Thanks to the Washington State Water Quality Consortium for permission to adapt and use this poster.

## Introducing the Palmer Township Police Department's two newest police officers.
