## Bike Path Crossing Safety Improvements

Township Public Works staff recently completed the installation of safety improvements at 4 bike path crossing locations in the Township.

- At the Easton Area High School entrance on South 25th Street, new gates and signage were installed to stop bike path traffic approaching the intersection.
- At the Easton Area High School entrance on William Penn Highway and across the street behind Rite-Aid, new gates and signage were installed to stop traffic approaching the street and directing pedestrians and cyclists to cross at the signalized intersection at 25th Street.
- On South 25th Street by Aldi, new gates and signage were installed to stop traffic approaching the street and new pavement markings were installed to provide greater visibility of the crossing to approaching motorists.
- On Stones Crossing Road, new gates and signage were installed to stop traffic approaching the street and new pavement markings were installed to provide greater visibility of the crossing to approaching motorists.

The project was paid for through local Transportation Alternatives Program (TAP) funding through the Lehigh Valley Transportation Study. TAP projects help build pedestrian and bicycle facilities, improve access to public transportation, create safe routes to school, create trail projects that serve a transportation purpose, while promoting safety and mobility.

## Bleeding Heart Plants

It is time to plant bleeding heart plants for the 2021 growing season. The best time to plant bleeding heart seeds is November in Palmer. Three months in the cold ground is required. Spending time developing the Fairview Park Bike Path garden has allowed the opportunity for passersby to ask what the heart shaped flowers are called. There are multiple bleeding heart plants growing in the 250-yard garden. It is easy to see the heart shaped flowers with the “blood” growing out of the bottom of each flower, which gives it its name, bleeding heart. There is one bleeding heart plant in the east side garden at the Palmer Post Office. Each fertilized flower grows a seed pod that looks like a miniature green bean seed pod. A week or more later each seed pod grows pure white round seeds. Authorities say that they are not able to grow a new plant. A few weeks later the white seeds turn totally black. Black seeds if planted in November will grow new plants in the spring. If the green seed pod is left alone it will shrivel, twist, break open and the black seeds will fall to the ground. This process is called self-seeding. The plants prefer less sunlight. The leaves and flowers are shriveled near the end of July. Seeds of both color flowers were saved during the summer of 2020. Call or email me so you can get yours for free. Press them very gently into a soil compost mixture. Hibiscus, calla lily, cleome, and butterfly bush seeds are also available for free. Dave, chairperson, Palmer Township Beautification Project, 610.704.5868, d.carr@rcn.com. Volunteers are greatly appreciated, and Community service hours are available.

## Let's All Work Together to Keep Palmer Township Beautiful

Something we see daily yet give very little thought to, except when there is a severe rain incident and some of our streets become flooded, is your Palmer Township's **Municipal Separate Storm Sewer System (MS4)** which is designed to collect/convey only stormwater, also called "runoff." Please note some of the older developed areas of the Township do not have storm sewers or have systems not designed to current standards. The Federal Clean Water Act as administered by the Pennsylvania Department of Environmental Protection's Municipal Separate Storm Sewer (MS4) Program regulates how Municipalities that are considered urbanized areas are to enact an MS4 Plan. Palmer Township's population, as of 2018, was estimated at 21,463. Palmer Township strives to lead on environmental and many regional issues thus attempting to preserve and protect natural resources such as the area's tributaries: Schoeneck and Bushkill Creeks, and the Lehigh River, all which flow into the Delaware River. The Delaware River upstream of the tributaries' confluences with the Delaware River, is the source of our drinking water for most Township residents and businesses.

We hope you will consider and incorporate on your property some of the below listed sustainable practices in order to retain and sustain these water resources as our community grows. Each of us should strive to be the best stewards of these resources for not only ourselves, but for our children, and our children's children!

**Palmer Township's MS4 Ordinance:** <https://ecode360.com/11573231>

Quick Resource Guide to the MS4 Program: <http://files.dep.state.pa.us/EnvironmentalEd/Environmental%20Education/EnvEdPortalFiles/MS4%20Resource%20Guide.pdf>

\*\*\*\*\*NOTE CITY OF PHILADELPHIA GUIDE MAY BE MORE APPROPRIATE AS IT LIES IN THE DELAWARE RIVER WATERSHED.\*\*\*\*\*

As a Palmer resident and/or business owner your compliance with the MS4 Ordinance will assist in our objective so that our aquatic environment is not adversely impacted. What can each of us do to help? For starters, review the above Township Ordinance and Quick Resource Guide for suggested plantings, reduction of impervious surfaces and retention of stormwater on your property and safe discharge of runoff waters. Some active steps you can take to improve aesthetic value while reducing impervious surfaces are:

**Green Infrastructure (GI)** - Reduces and mitigates stormwater impacts at its source while delivering environmental safeguards. A BMP "Best Management Practices" describes measures taken to control stormwater caused by changes to land use via development resulting in increased impervious surfaces. BMP describes resources and practices on how to protect and utilize natural flow pathways in overall stormwater planning and design to minimize stormwater impacts associated with site development. Protecting natural drainage features such as swales, depressions, and ephemeral streams during site development can provide a variety of stormwater management functions.

**Wet Ponds (WPs)**, also called Retention Basins, are stormwater basins that include a permanent pool of water as well as additional capacity for temporary storage of stormwater. They are effective at controlling peak stormwater rates and improving stormwater quality. For a prime example of a Wet Pond walk the Easton Area High School property (Kunkle Tract) between South Greenwood Ave., Route 22 and Milford St.

**Rain Gardens** are excavated shallow depressions, planted with native vegetation that can withstand dry and wet periods. Stormwater is collected in the rain garden and is both infiltrated into the ground and evapotranspired by the vegetation.

**Storm Drain Protection** – remove litter, debris, and grass clipping from the street in front of your property.

St. Luke's is working tirelessly to ensure our hospitals and facilities are as safe as ever:

- We are all masking for you
- We screen all patients for COVID-19 symptoms prior to appointment and convert suspected positive screens to virtual appointments
- We limit the number of people in our waiting rooms and maintain social distancing
- We limit guests to 1 per person and mask all guests
- We keep patients with COVID-19 in separate patient rooms
- We make sure our staff is healthy and fever-free
- We provide virtual registration and check-in as well as online payments
- We offer a blend of appointments (in-person and virtual)
- We maintain high levels of infection prevention, repeatedly cleaning and disinfecting all waiting and exam rooms

UNIVERSITY HEALTH NETWORK

The Miracle League of Northampton County, which provides those with intellectual and physical disabilities the chance to play baseball, continued to cautiously navigate its ability to have our athletes engage in on the field activities. During the months of July, August and September, we provided our players with an opportunity to come to our field at the Charles Chrin Community Center for batting practice and running the bases. Each evening that was scheduled were extremely controlled and safe as

we practiced social distancing, took temperatures, and only allowed 20 players per session with only one parent allowed to be with their child during each session. Parents were very appreciative of the opportunities presented by the league. Further, we provided our players and their siblings an opportunity to have an evening of swimming in August at The Palmer Pool that was well attended. Our highly successful and always anticipated Trick or Treat was a Trunk or Treat this October, again incorporating safe practices for all involved.

As summer concluded and schools re-opened, our league continued to monitor the possibility to schedule some games. Again, implementing a full schedule was out of the question for safety reasons. We miss our volunteers, who make such a difference in the lives of our players and families. We will continue to keep in touch with our families with any updated information through our "one call" phone system, by email, and on our Miracle League website at [www.miracleleagueofnc.org](http://www.miracleleagueofnc.org), and our Facebook page.

## Sechrist Named Manager of the Year

On September 16, 2020, Ms. Amanda Sechrist was named "*Manager of the Year*" by Special Olympics Pennsylvania at their annual Leadership Awards Ceremony. She is in her 17th year as Manager of Northampton County Special Olympics (NCSO) and has been teaching Adapted Physical Education at Colonial IU 20 for 22 years.

In light of the COVID-19 pandemic, Ms. Sechrist has shown tremendous dedication to NCSO and its athletes. She has been running virtual sessions multiple times a week where athletes and coaches learn about nutrition and exercise. The meetings have also helped the emotional well being of the athletes as they interact with their peers and play games.

Since the scheduled in-person fundraising events couldn't take place this summer, Amanda organized an online raffle that raised \$20,400 that goes directly to supporting local Special Olympics athletes. In addition to her work with NCSO, she has been involved with the local Miracle League since its inception in 2012. She serves as Co-Director of the league and Coordinator of the players side of the league.

**Congratulations!**

## We are so happy the library doors are open to the community again!

To keep all our patrons and staff safe and healthy, we ask that you wear a mask and practice social distancing in the library. We have lots of hand sanitizer too! Here are the services we're currently offering:

- Reserve pick-up and requests
- Printing
- Copies
- Faxing

Public computer use is available but limited to 30-minute sessions.

Don't feel comfortable coming into the library just yet? No worries... we offer curbside service! Request books by calling the library or log into your account from the library's website ([www.eastonpl.org](http://www.eastonpl.org)). To pick up your books curbside, simply call the library when you arrive, 610-258-7492. We'll bring your items outside for contactless pickup.

### What else are we doing to keep patrons and staff safe?

- Regularly cleaning high-contact surfaces
- Sanitizing the public computers and copier after each use
- Quarantining all returned items for a minimum of 72 hours before putting them back in circulation

Thank you for your understanding and continued patronage during these unusual times. We are doing all we can to keep everyone safe and happy! Please check with the library for updates.

## When is a Permit Required?

The Pennsylvania Uniform Construction Code, as well as, the ordinances of Palmer Township require permits for many types of projects. Activities requiring permits include:

- Any structural change/alteration
- Plumbing
- Electrical
- Mechanical/HVAC (new and replacement)
- Re-roofing
- Replacement windows
- Replacement siding
- Decks
- Driveways (replacement, expansion and resurface)
- Signs (except political signs) and banners
- Additional living space conversions
- Patios and patio roofs
- Fences (temporary and permanent)
- Retaining walls
- Sheds and carports (accessory structures)

Building code regulations require minimum standards for design and construction to ensure the safety and welfare of the occupants. The above list may not include all necessary permits. You may contact the Permit Department at (610) 253-7191 for more information.

## Clearance of Snow from Public Sidewalks

Please remember that all snow, ice, or sleet shall be removed from all public sidewalks abutting your property within 12 hours after the snow has ceased to fall or accumulate thereon. This includes the accessibility ramps located at street intersections. Whenever it may be impossible to remove all snow, sleet, or ice, which may have become compacted by travel or formed on sidewalks so as to present a slippery surface, ashes, cinders, sand or any other suitable substance shall be applied as to facilitate safe walking upon the sidewalks.

Palmer Township has enacted an ordinance prohibiting the depositing of snow by property owners, residents and any person(s) onto the surface of any roadway, street, highway and other areas within the township. There have been times throughout the winter season when snow has been thrown onto the roadway after plowing has been completed and thaws and refreezes as day and night temperatures fluctuate, thereby causing hazardous areas on the roadway for both vehicular and pedestrian traffic. This prohibition includes, but is not limited to, snowplowing, snow blowing, shoveling and dumping of any snow, ice or other frozen precipitation onto the roadway and other areas of the township.

**§109-3(SS) - Depositing snow prohibited:** No person shall throw, blow, shovel, plow, push, dump or by any other manner, deposit any snow, ice, slush or other form of frozen precipitation upon any state highway, township road, median, roadside shoulder and swale, intersection sight triangle, inlet, public sidewalk, fire hydrant or privately owned property without the permission from the property owner. Exempted from these restrictions are state and municipal employees and other individuals contracted by said state or municipal governmental authorities expressly for the purpose of snow and ice removal and/or plowing.

## Attention History Buffs:

The Palmer Historical Society invites your membership and attendance at their informative and educational meetings, featuring local and area subjects of interest.

Meetings are held in the Palmer Library 10:00AM to Noon February – May and September – November. Membership is \$5.00 per year and includes invitation to all events.

**Interested? Please contact Ed Dean at 610-253-2281**

## Christmas Tree Sale

We will be holding our annual Christmas tree sale beginning on Friday, November 27, 2020.

The sale is located on 25th street in between Dunkin Donut and Wells Fargo, the sale runs until we sell out.

*\*All proceeds from the Christmas tree sale support the sports programs for the children of Palmer Township.*

Palmer Township gratefully acknowledges the generosity and support of the businesses and individuals who have placed advertisements in our newsletter. This newsletter has been designed and printed at no cost to you, our residents. We encourage you to patronize these businesses as they play a vital role in the economic stability of our community.

During the summer and fall months, our Township walking and bike paths are a frequently visited area for our community. PMFD train and are equipped to handle any type of fire or medical emergency anywhere on our paths.

Due to the events occurring around the world with protesting and riots, PMFD continues to train in such scenarios in the event similar incidents become present in our area.

***Pennsylvania's Green Amendment***

Article 1, Section 27 of Pennsylvania's constitution states that "The people have a right to clean air, pure water, and to the preservation of the natural, scenic, historic and esthetic values of the environment. Pennsylvania's public natural resources are the common property of all the people, including generations yet to come." We are one of only 2 states in the U.S.—Montana being the other one—that include this in their constitution. It is not a new idea either; it was adopted in 1971 during a time of great environmental concern strongly shared across the political aisle.

Upholding Pennsylvania's constitution—one of the chief ways we can help protect and support our fellow residents—is our duty. That includes tackling issues that most people might not realize or think is impacting them, such as problems in policy adopted outside of each person's respective communities. We might say in some cases that the world is full of metaphorical islands, as in diplomacy, but where environmental issues are concerned ultimately no country is truly an island. The policies we adopt in one place necessarily impact people in another, and likewise our attempts in Pennsylvania to guarantee "clean air, pure water, and the preservation of the natural, scenic, historic and esthetic values of the environment" are impacted by the actions taken by others outside of our communities, our commonwealth, and eventually the wider world. As such, it is the responsibility of all members of Palmer, Northampton County, the Lehigh Valley, and Pennsylvania (and, not to forget, the country and the World) to make sure that, in our attempts to achieve the goals and standards outlined in our constitution(s), we keep an eye on situations both near and far.

Palmer Township Police would like to remind Township residence that school is back in session, and to be visual and courteous to posted stop and speed limit signs. Police will be monitoring target residential complaint areas in order to keep our community safe.

We are thankful for the community fundraiser held in September for our regional K9 teams from Palmer, Wilson and Easton Police.

PPD BIKE PATROL UNIT

Township Police put the Bicycle Patrol Unit back in service this past summer. Officer Alercia (L) and Officer Soloe (R) who are both certified through IPMBA, International Police Mountain Bike Association, will be patrolling the Township walking paths, parks, and retail store parking lots throughout the summer and fall seasons.

For many years the Palmer Kiwanis has annually awarded \$1,000 scholarships to Key Club member at Easton Area High School, Notre Dame High School, Wilson Area High School, and students attending the Career Institute of Technology. Generally, the scholarships are awarded at one of our Kiwanis Club meetings but this year because of the pandemic this was not possible. In any event the scholarships were awarded to the following recipients.

In the picture from left to right – top to bottom are:

- Alexa Jacobs
- Andrew Basile
- Brianna Nigrone
- Kacey Flavelle
- Kelsey Priestof
- Sydney Gregg

- Kacey Flavelle daughter of Jeff and Carol Flavelle attended the Career Institute of Technology (CIT) with her home school being Easton Area High School (EAHS). She will be attending Northampton County Area Community College (NCACC) majoring in early childhood education.
- Glenn Arroyo also went to CIT and his home school was EAHS. He will also be attending NACC.
- Pia Mazzalla-DiBosco daughter of Domenico and Lucy Mazzalla attended EAHS. She will be attending Moravian College majoring in Nursing.
- Andrew Basile son of Augie and Chrissie Basile attended EAHS. He will be attending Bloomsburg University majoring in computer science and digital forensics.
- Alexa Jacobs daughter of Joseph and Shelly Jacobs attended EAHS. She will be majoring in diagnostic medical stenography.
- Sydney Gregg daughter of Chris and Terri Gregg attended Notre Dame High School. She will be attending the University of Pittsburgh majoring in biology.
- Kelsey Priestof daughter of Christopher and Suzanne Priestof attended Notre Dame High School. She will be attending Christopher Newport University majoring in mathematics.
- Brianna Nigrone daughter of Gregory and Beth Nigrone attended Wilson Area High School. She will be attending Elizabethtown College majoring in political science and communications.

*The members of the Palmer Kiwanis Club wish all the recipient's luck in their future endeavors.*

## Charles Chrin Community Center of Palmer Township

### Before & After School Program 2020-2021 School Year

#### SITE LOCATION AND INFORMATION:

The Charles Chrin Community Center of Palmer Township at 4100 Green Pond Road, Palmer, PA. 18045 phone: 610-252-2098

#### HOURS OF OPERATION:

- **Childcare hours** are Monday through Friday.
- **Before Care hours** 7AM to bus pick up time
- **After Care hours** bus drop off time to 6PM
- **This includes** early dismissal days and 2-hour delay days.

There will be no care offered when school is closed due to inclement weather. In the case of a 2 hour delay that is changed to a cancellation, all Before Care program children will need to be picked up by a parent or guardian before 11 A.M. Please plan accordingly.

#### PROGRAM CONTENT:

Our program includes:

- Snack time (snack brought from home)
- CPR & First Aid Certified Staff
- Daily homework time
- Multiple safe play areas

#### SIGN-IN/OUT:

Parents/guardians will be required to sign your child's name to note he/she has been dropped off/picked up. **PHOTO ID IS REQUIRED** during pick up. **CCCC policy only allows individuals on the pick up list to remove a child from Aftercare, unless a note has been provided by the parent or guardian.**

#### TRANSPORTATION:

A school bus will transport children to Easton Area Middle School, Palmer Elementary School, or the Easton Arts Academy from CCCC daily. All participants must complete an alternative transportation form and return it to the school, NOT CCCC.

#### FEES AND PAYMENTS:

A \$100.00 membership fee for the year is required to guarantee your child's spot for the Before & After School program. The program application and fee are mandatory and must be completed and received by the CCCC before your child is accepted into the program.

**Before school daily rate: .... \$12.00**  
**After school daily rate:..... \$12.00**

There is an additional charge of \$10.00 per every 15 minutes for late pick ups, this will be reflected in your bill. Repeated late pick ups may result in loss of childcare services.

**Zumba Gold** – Latin-inspired, dance fitness program designed for the active older adult, beginner participant, pregnant women, those who need modifications, arthritis sufferers, and those recovering from injury. This is a fun, feel-good, party-like class.

**Pilates Tone** – This is a great way to increase strength, flexibility, balance & coordination. Pilates is regarded as an ideal exercise regimen for people in or over their 50's due to low-impact exercise. Benefits are improved posture, stamina, and strength.

**Zumba Gold Toning** – "Muscle Toning for the Young at Heart", combines the cardio element of Zumba Gold with strength training techniques.

**Core Stretch** – A full body stretch using movements that flow smoothly to increase flexibility, decrease muscle tension, develop core strength, and improve muscular balance.

**Silver Yoga** – This class will begin with a short breath practice and then work up to a mindful flow ending in a relaxing shivasana. Participants will explore getting into and out of different yoga postures and how to make adjustments when necessary. This class will use props, explore variations, and work on balance while increasing both strength and flexibility. No prior yoga experience necessary - all levels welcome! Come explore the beautiful blend of breath and movement to open up the body and enhance mobility.

- \* If Easton Area School District is closed or has a delayed opening, we will not run classes.

**Sing N Move** - A music class where you and your baby will get to sing, move, and play! They'll not only explore themselves, but their surroundings and social skills. It's a learning and bonding experience for you both.

This class runs in 4 week sessions. If you miss the start of one session, you will have to wait for the next session to begin. Register and make your payment at the Community Center.

**Sessions 3 & 4 - CANCELLED**

**CHECK BACK FOR INFO ON UPCOMING SESSIONS**

**Tumble Time** - For children ages up to 4 with a parent/guardian. Bring children to play in a safe, open play environment. They'll get to use our tumble equipment, toys, and balls. Each class is ended with bubbles and a stamp. Must call to reserve a spot. Only 12 children allowed per class.

Payment is accepted before the start of each class. CASH ONLY.

**Holiday Tumble Time: Thur. Dec. 17, 2020 10AM and 2PM**

**NO Tumble Time: Thur. Dec. 24, 2020 AND Thu. Dec. 31, 2020**

**For questions, please call (610) 252-2098 or visit [www.palmercommunitycenter.org](http://www.palmercommunitycenter.org)**

**AMAZING ATHLETES/TOTS** - We use sports as a catalyst to meet the needs of the whole child through non-competitive, sports-based fitness designed to advance each child's individual motor-skills and inspire future participation in physical activity. Your child will get to explore 9 different sports; including basketball, football, soccer, volleyball, tennis, hockey, golf, lacrosse, and baseball. Register at [www.amazingathletes.com](http://www.amazingathletes.com); be sure to choose the Charles Chrin Community Center of Palmer Township location with Coach Gary!

**Tuesday Session: December 8th - February 9th**

**Friday Session: December 11th - February 26th (no class on Dec. 25th or Jan. 1st)**

**SUPER SOCCER STARS** - This is a soccer focused program that teaches children the game of soccer through fun games and stories! Each week will focus on a different skill, such as balance, coordination, kicking, passing, dribbling, scoring, stopping, changing direction, throw ins, and even some turns at being goalie! Each week will have a different theme, whether it's cars and trucks or flowers in the field, each theme will use those soccer skills to navigate your children through the class! Register at [www.amazingathletes.com](http://www.amazingathletes.com); be sure to choose the Charles Chrin Community Center of Palmer Township location with Coach Gary!

**Monday Session: December 7th - February 8th**
