Stormwater Management Fees

<u>Fee</u>

Minor storm water management permit application

\$172.00 \$450.00

Major storm water management permit application

a. For a modification to an existing stormwater management system approved under Chapter 158 that does not add any new impervious area, the application and administration fee shall be paid based on

how the original application was filed.

b. The applicant shall also reimburse the Township for costs that the Township has incurred by the Township Engineer, Township Solicitor, and/or other professional consultant(s) that the Township, in its sole discretion, deems necessary in order to adequately and properly administer the requirements of Chapter 158 and report the findings to the Township.

c. The applicant shall also provide the Township with an escrow fee equal to the estimated cost that the Township determines it is likely to incur by having the Township's Engineer, Solicitor and/or professional consultant(s) review the plan. The applicant is required to reimburse the Township for these costs as described in Chapter 158. After the applicant has reimbursed the Township for cost incurred, the Township shall return the escrow fee.
