### Vendor Information & Application Packet

Dear Community Partner,

Thank you for your interest in participating in Palmer Township Community Weekend! This annual event brings together residents, families, and local organizations for a weekend filled with food, games, entertainment, and community spirit.

Our goal is to create a welcoming, engaging, and successful event for both attendees and vendors. We value the time, effort, and fundraising support that our nonprofit organizations provide, and we are committed to creating an environment where your booth has strong visibility and the opportunity to be profitable.

To help us create the best possible experience for everyone, the information below outlines vendor requirements, booth guidelines, and event logistics. Please review this information carefully before completing the attached application.

Palmer Township continually evaluates the event layout to ensure a positive experience for attendees. As a result, booth locations may be adjusted or relocated as needed.

Please be assured that we will always do our best to provide each vendor with maximum exposure.

We appreciate your cooperation and look forward to working with you to make this year's Palmer Township Community Weekend a success!

Sincerely,  
Palmer Township Community Weekend Committee
